Memories of Eula Baird

Lonebell, Oklahoma

1907 - 1915

Now that I have
lived to reach my 60's
I try to think back &
see how far my memory
takes me. I do sure
I can't remember when
I was born but I do
know it was 11-22-07
Lonebell Oklahoma
in Ellis County.
Papa worked the
farm that he & Mama
had filed on. The
people that lived in
Ellis Co. had come
from all parts of the
U. S. Papa came
from Irving Illinois
and Mama was
Arizona (Pryor) born &
Viola Okla from
Throckmorton Texas
and County by the
same name. So I
tell you this to let

you know how different
people made a living
were. Here papa's
family were Dutch &
mama's were Indian
and English. The foods
and ways of cooking
were very different.
My Grandmother Felder
made all the light bread
they ate so my mama
had to learn to make
bread. They had quite
that good passed on
to the young women. My
Grandma Lizzie made
soda biscuits & corn
bread. The Ezell family
ate corked cabbage but
the Felder family made
sauerkraut & good
that kraut dumplings
they could make. The
women were all good
cooks. Much is South

The Hatchers were Methodist & Lutherans and the Ezell's were Presbyterian.

The people made their own entertainment. I remember when we were at Grandma Ezell's and had a new baby aunt Cora said that Ida & Betty were born in Grandma's. The year that Betty was a baby we spent at Grandpa & Grandma Hatcher's place while they made a visit back to Illinois. One day while Mama was washing dishes & I was taking care of baby Betty she saw Pocky the Hound toss out & plump up into the pile of dirty clothes. She tried out & we were too small to

left her up quick. She
cried out and Mamma
came to see what had
happened. She probably
scolded us but I don
think about it now I got
a laugh since we are
proper and having Children
Hendra & Hendrix live
at Pachsaddle about 10 mi
from Lonedale.

Papa after awhile had
gone to work for a
rancher by the name of
George Wheidon. He
was a young Bronc
rider & broke horses
for the large ranch in
Kellogg. He moved a lot
while we were all very
young. I started to school
when I was two yrs
old. We lived at
Pachsaddle on the Wilson
place. My teacher was

Mrs Rank. She
lived at Grandma &
Grandpa Ezell's. Her
home was only about
25 miles N. but for
long forgotten & buggy
days. Grandma gathered
a little extra money
from her keep.
I was the youngest
child in the room that
year. ~~The boys in the~~
~~school were big & strong~~
We all were in the
same room in the
rural schools. I
remember once one
day two of the big boys
did something & Mrs
Rank had them to
come to the front and
she whipped them.
I mean was so scared
I care. They laughed at
her & she sent them home

He had a big apple
orchard there on the
Alcorn place. It was
full & most of the crop
of apples had been harvested
But one day James
& were down there playing
& he found a big red
apple. He came on
excited & ran to show it to
mama & fell at the step
& cut his head on a sharp
corner of the rock. He
bled terribly. We were
so scared. But Mama
picked up diapers (2 dozen)
& held them to catch the
blood. Before it was
completely stopped Cousin
Mack Hope came in with
Mr Moody the doctor
from Stattack. Came
in his car (the first one
I remember) and we
were glad to see him & his

Passengers. He helped
Mama and when it
came from I don't know
~~but he~~ put a Court
plaster (like a band aid) on
the cut. Today is would
have taken several stitches
to Close. James has the Scar,
seems a lot of things
happend while we lived
here.

One day it was nice &
warm and an old Man by
the name of Milsap ~~that~~
~~about the Church mouse~~
wandered into our house
& Mama was alone. She
was a small baby. Mama
managed to keep of Clare
belonging them. The family
urged them, it was Clare or
his frail! Mama was
afraid for a long time.
The baby died about a ½
Mile from Grandpa's

Grandma. They had some boys at home. They came to our house at last.

One nite I went home with them to spend the nite. Guess I got homesick in the nite & tried to go home. Uncle Joe got up & carried me home and he spent the rest of the nite with us. He always treated me about his

He had a spring and carried our water. The birds were so pretty in the trees. The red birds I loved. Everytime I saw a red bird I felt like it was kinder like Fairyland now by the spring.

In the summer we use to go down by the spring to do our washing. It was a lot of fun. We have cooked dinner in the creek.

the were only about a mile from the South Canadian River. At the time some of the men in our Family had gone to Strong City for supplies. While there the had high water and they could the river. They are there on the N side waiting and I remember Grandma & Mama cried. Now I know why.

I use to go help Grandpa weed out his small Orchard. He was a wonderful gardener as well as a good Grandpa. He sure did love me & I was the only one he would let go into his garden.

Grandpa had a big

orchard and Grape arbor. The Cows sit under the arbor & eat the big purple concord grapes.

While we lived at the Alcazar place we had the Christmas ~~for the orphans & we had the family~~ at our house. A big snow had fallen & a perfect time for them to come in their home made sleigh.

I had always dreamed of riding in a big sleighy (what would tip long he come I was only 6 or 7.) like the picture I had seen.

About the time it was time for Santa to arrive Papa said the Cows had gotten out & he would

time to go get them in
I felt bad that he
would miss the gifts
we would have which
wasn't a big thing
but Santa Claus & we
all got something.
I can't even remember
what they were only a little China
head doll with a
little cloth body stuffed
with excelsior. But
about the time gift exchange
was over Papa returned.
Santa had always been
a real treat for the
Holiday season and even
when we find there isn't
a real fellow in a red
suit we still believe
in him.

Our Uncle Sam was
old enough to get
possession of land so he
bought him 160 acres

just up north of the
Alcan place. He first
dug him a dug out
to live in. He went to
see him and he lived in
this underground home
until he got him a
small house built.
James dropped my
little doll on the bad
dirt floor & broke it.
I can remember
setting on the step and
crying. I'm sure we
stayed there to help
build the house. I
can remember stepping
on a rail. I was always
the clumsy one. Mama
put my foot in a little
container of kerosene. I
can't imagine how people
lived then. Sometimes
they didn't. They were
thrown from horses,

m dragged to death by
a shy horse that
didn't wait for him to
get his foot from the
stirrup of his saddle.
There were drownings
too. Life then was
about the same only
a little slower pace. In
my mature age I feel we
were pretty fortunate we
didn't lose more tragedies.
Guess if it hadn't been for
home made liniment?
Kerosene lard & turpentine
we would never have
survived a winter.
We moved to the
Redden Community
when I was in about
the 2nd or 3rd grade. We
had a man teacher. His
name was Alvin Pressnell.
~~He was~~ an all Michigan

IN MEMORIUM
Of Mrs. Kinney Brockman (nee Walcher).
The ways of Providence are not comprehended by us. Lives, which give promise of greatest usefulness and which too are the most worthy and comforting to home and friends, are suddenly ended when yet they have upon their checks the bloom of youth.
Such reflections are occasioned by the death of Mrs. Kinnie Brockman. She became a member of St. John's church in November 1890. Was faithful in the performance of her Christian duties and so loved her Sunday School, in what she was a teacher for a long time, and the church service that all else was sacrificed in order that she might be instrumental in the promotion of the Master's kingdom. Was an efficient organist in the church for several years. Always gentle about home, careful in conversation, tender and loving to her family, she was a messenger of good in her home and among her friends. Her experiences in her Christian life afforded her much rest and comfort.
There was an unusually strong Christian character found in her life. Life to her was a sacred thing, and death had no terrors.
Her presence in the Sunday School and church is greatly missed, but the good influence she has left will flow on through the years to come. Her noble qualities of mind and heart will have a lasting effect upon all with whom she came in contact. A brief life of a little over twenty years and the Master called for her.

Obituary from Sara Lee, appeared in The Hillsboro Journal, Monday, February 24, 1936
JOHN E. WALCHER, FORMER IRVING MERCHANT, DIES
Funeral Services Held at Home Near Witt
Funeral services for John Erastus Walcher, a life-long resident of the St. John's community north of Irving and west of Witt, were conducted at 2 o'clock Saturday afternoon at the family residence, with the Rev Clifford Larson, pastor of the Lutheran Church in Irving, officiating. Interment was made in St. John's cemetery. Mr. Walcher, who death occurred at 2:45 Thursday afternoon at his home, was the father of Mrs. Lawrence Truitt of Hillsboro. He also was the father of Michael Walcher of Irving and Shirley Walcher formerly of Irving, but now of St. Louis. His death occurred in his 80th year, following an illness of a month or so, from the decline due to advanced age. For many years, Mrs. Walcher was a farmer in the community in which he spent his entire lifetime and conducted a general store in Irving for 45 years. It was after he had been a merchant for nearly a half century that he sold the store and bought the farm two miles west of Witt. Mr. Walcher was born and reared in the farming community west of Witt. He attended the public schools there and early in life began work on a farm. He married Miss Maria Platt of Irving. They became the parent of several children, who passed away in infancy. A number of years later, he married Miss Elizabeth Musgrave and the became the parents of three children: Michael, who lives on his paternal grandfather's farm north of Irving, Nema, wife of Lawrence Truitt of Hillsboro, and Shirley of St. Louis. There are five grandchildren. Mr. Walcher was a son of the late Michael Walcher, one of the pioneers of the Irving community.

Obituary appeared in The Montgomery News, Vol. 71, Number 16
FUNERAL HELD SATURDAY FOR JOHN WALCHER
John Walcher, prominent retired Irving merchant and the father of Mrs. Lawrence Truitt, of Hillsboro, died Thursday afternoon, at three o'clock, at his home north of Irving. Death followed a month's illness from infirmities of old age. Funeral services were held Saturday afternoon at two o'clock at the residence. Rev. Clifford Larson officiated at the services and burial was made at St. John's cemetery. Those from Hillsboro who attended were: Mr. and Mrs. Lawrence Truitt, Mr. and Mrs. John Graden, Mr. and Mrs. Harold Ash and Mrs. Carl Ludwig.
Mr. Walcher was a son of the late Mr. and Mrs. Micheal Walcher, and was born on a farm north of Irving over 80 years ago. He grew to manhood on the farm and when a young man, moved to Irving, where he opened a general store. He operated the store for a number of years and after retiring from business, moved back to the farm where he had lived as a youth. He was living on the same farm when he died. When a young man, Mr. Walcher was united in marriage with Miss Maria Platt of Irving. She died several years after their marriage and a number of years later, he married Miss Elizabeth Musgrave of Irving, who survives him, with their three children: Mrs. Lawrence Truitt of Hillsboro; Michael Walcher of north of Irving; and Shirley Walcher of St. Louis. Four grandchildren also survive. A brother, Luther Walcher, of Litchfield died many years ago. Mr. Walcher was a member of St. John's Lutheran Church, north of Irving, since childhood and was a leader in the affairs of the church. He was much like by the many friends he had made while in business in Irving, and while farming for himself. His death removed another of the pioneer leaders of the Irving community.

JOHN E. WALCHER, FORMERLY IRVING MERCHANT, DIES
Funeral Services Held at Home Near Witt
Funeral services for John Emanuel Walcher, a life-long resident of the St. John's community north of Irving and west of Witt, were conducted at 2 o'clock Saturday afternoon at the family residence, with the Rev. Clifford Larson, pastor of the Lutheran Church in Irving, officiating. Interment was made in St. John's cemetery. Mr. Walcher, who died suddenly about 2:45 Thursday afternoon at his home, was the father of Mrs. Lawrence Trutt of Hillsboro. He also was the father of Michael Walcher of Irving and Shirley Walcher formerly of Irving, but now of St. Louis. His death occurred in his 80th year, following an illness of a month or so, from the decline due to advanced age. For many years, Mr. Walcher was a farmer in the community in which he spent his entire lifetime and conducted a general store in Irving for 43 years. It was after he had been a resident for nearly a half century that he sold the store and bought the farm two miles west of Witt. Mr. Walcher was born and reared in the Irving community west of Witt. He attended the public schools there and early in life began work on a farm. He married Miss Maria Plat of Irving. They became the parent of several children, who passed away in infancy. A number of years later, he married Miss Elizabeth Musgrave and she became the parents of three children, Michael, who lives on his paternal grandfather's farm north of Irving, Mrs. Lawrence Trutt of Hillsboro, and Shirley of St. Louis. There are five grandchildren. Mr. Walcher was a son of the late Michael Walcher, one of the pioneers of the Irving community.

Descendants of Frank Brockman

Generation No. 1

1. FRANK[1] BROCKMAN He married KINNIE V. WALCHER 14 February 1897 in Montgomery County, Illinois, daughter of MICHAEL WALCHER and ELIZABETH WEEDEN. She was born 1877, and died 1897.

Notes for KINNIE V. WALCHER:
Kinney V. or Kennie died in childbirth with her first child.

In the effects of Edna Walcher Roush was found this obituary.

IN MEMORIUM
Of Mrs. Kinney Brockman (nee Walcher).
The ways of Providence are not comprehended by us. Lives, which give promise of greatest usefulness and which too are the most worthy and comforting to home and friends, are suddenly ended when yet they have upon their checks the bloom of youth.
Such reflections are occasioned by the death of Mrs. Kinnie Brockman. She became a member of St. John's church in November 1890. Was faithful in the performance of her Christian duties and so loved her Sunday School, in what she was a teacher for a long time, and the church service that all else was sacrificed in order that she might be instrumental in the promotion of the Master's kingdom. Was an efficient organist in the church for several years. Always gentle about home, careful in conversation, tender and loving to her family, she was a messenger of good in her home and among her friends. Her experiences in her Christian life afforded her much rest and comfort.
There was an unusually strong Christian character found in her life. Life to her was a sacred thing, and death had no terrors.
Her presence in the Sunday School and church is greatly missed, but the good influence she has left will flow on through the years to come. Her noble qualities of mind and heart will have a lasting effect upon all with whom she came in contact. A brief life of a little over twenty years and the Master called for her.

Tips on Using the *Illinois Statewide Marriage Index*

- To avoid text wrapping to multiple lines, it may be necessary to select a smaller text size in your browser depending on your monitor's screen resolution. In most browsers, text size can be changed under the View menu.
- To print the list of marriages from the results screen, set your printer's page orientation to landscape.
- Illinois marriages were not required to be performed in the county of the bride's or groom's residence. If your search does not find a marriage in the county you expected it to occur, try selecting STATEWIDE in the location option box.
- The *Illinois Statewide Marriage Index* is an on-going project and does not currently include marriage records for all counties in Illinois or complete date spans for some counties.

Bob, thanks for the reply. I will make an attachment of what I have on the Cannons. I am hoping you will add some (even just a little) to it. Have an old letter to one of our relatives from Leona Cannon Dutra and have found her in the Montana Death Index. Will mail a request for death certificate and obituary today. I have all the children's names, some census work, but am wanting to find living cousins in this line. So will be very happy to share with you. Give me time to get the Montana reply back, probably will be after the first of the year before I am back to working on this line. Again, thanks will look forward to your additions later.

Do not know who Leona wrote this to--whether, Carol Hunt or Fern Arnspiger, or Gladys Miller. No envelope was included with this writing and no date.

The Life Story of Leona Canon (Mrs. Carl Dutra, Box 29, Carmel, CA 93921
Leona Ruth Canon born on a homestead south of Arnett, Oklahoma, Ellis County, 15 October 1906, moved to Arnett, Oklahoma around 1910-11. My mother had 9 children. In the years when I was 5 or 6, I well remember how my mother would struggle to keep food enough for all of us. My father, Athan Canon, soon realized he could not raise us on what he could grown there, so each summer he would go to harvest fields in Kansas to work all summer. My Grandma and Grandpa Lutheran (Luther) and uncles, Homer, Luther Ray and James LeRoy lived two miles from us. They used to come with lots of food for us. My Grandfather raised such lovely melons, cantaloupes in the sand soil there. He was quite a hunter --rabbits and quail were plentiful. Our closest post office was Peek, Oklahoma. There were big groves of persimmons--right after frost. At Pack saddle, the Indians would come in on their big horses in bright feathered headgear, ride in and strip the trees. No one dared to say a word to the, because my patents would say "it was their land first." We moved to Arnett when I was 6 years old so my mother could send us to school. When I was eleven, I went to stay with my oldest sister to make it easier on Mother. I came to Blackwell in 1920 when I was 14 to stay at Dr. Leslie's and go to high school. The Ernest Walchers moved in one-half block away, then ElFreeda Walcher (daughter of James Ira and Myra Denegar) came to stay with them and care for Edwin Allen and Chester Ray--in 1933. Your Cousin down the line, Leona.

Her letter continues: I just returned from Kansas City from a National Western Auto Show. Great tours -- fantastic--I've spent my life at sports--so I was in my element at Wilson Equipment booth--they gave a carnation for Mother's Day--I shook hands and got a picture autographed by Terry Bradshaw, George Brett (my special thrill), programs, pictures and hats--while watching the Royals (baseball team). Back at the Show, they whirled the barrel and drew out my son's name for equipment of $24,000. At the game, several congratulated him--finally he ask them what for--I nearly fainted--he didn't care one whit! This has happened several times, but last years it was a $12,000 electric organ, plus merchandise. Michigan's thru Easter, Arizonans - Mother's Day, Ohio's mid August, rest of time I'm home - in and out.

THINGS THIS WRITING GIVES:
Grandparents were Michael "Luther" Walcher and Elizabeth "Betty" Adeline Weeden
A Son, possibly into car racing, auto mechanics in Arizona or California
Has children or family in Michigan, Arizona and Ohio

Dr. Bob, I have quite a bit more on the family, but am awaiting two obituaries to see if I can find a living descendant. Am up to my ears in Income tax, will get back with you soon, Don't give up on me, I got the death certificat from Great Falls and also an obituary for Leona, am now on the "hunt" for one of her sons. Will let you know before too long.

The Life Story of Leona Canon (Mrs. Carl Dutra, Box 29, Carmel, CA 93921)
Leona Ruth Canon born on a homestead south of Arnett, Oklahoma, Ellis County, 15 October 1906, moved to Arnett, Oklahoma around 1910-11. My mother had 9 children. In the years when I was 5 or 6, I well remember how my mother would struggle to keep food enough for all of us. My father, Athan Canon, soon realized he could not raise us on what he could grown there, so each summer he would go to harvest fields in Kansas to work all summer. My Grandma and Grandpa Lutheran (Luther) and uncles, Homer, Luther Ray and James LeRoy lived two miles from us. They used to come with lots of food for us. My Grandfather raised such lovely melons, cantaloupes in the sand soil there. He was quite a hunter --rabbits and quail were plentiful. Our closest post office was Peek, Oklahoma. There were big groves of persimmons--right after frost. At Pack saddle, the Indians would come in on their big horses in bright feathered headgear, ride in and strip the trees. No one dared to say a word to the, because my patents would say "it was their land first." We moved to Arnett when I was 6 years old so my mother could send us to school. When I was eleven, I went to stay with my oldest sister to make it easier on Mother. I came to Blackwell in 1920 when I was 14 to stay at Dr. Leslie's and go to high school. The Ernest Walchers moved in one-half block away, then ElFreeda Walcher (daughter of James Ira and Myra Denegar) came to stay with them and care for Edwin Allen and Chester Ray--in 1933. Your Cousin down the line, Leona.

Her letter continues: I just returned from Kansas City from a National Western Auto Show. Great tours -- fantastic--I've spent my life at sports--so I was in my element at Wilson Equipment booth--they gave a carnation for Mother's Day--I shook hands and got a picture autographed by Terry Bradshaw, George Brett (my special thrill), programs, pictures and hats--while watching the Royals (baseball team). Back at the Show, they whirled the barrel and drew out my son's name for equipment of $24,000. At the game, several congratulated him--finally he ask them what for--I nearly fainted--he didn't care one whit! This has happened several times, but last years it was a $12,000 electric organ, plus merchandise. Michigan's thru Easter, Arizonans - Mother's Day, Ohio's mid August, rest of time I'm home - in and out.

THINGS THIS WRITING GIVES:
Grandparents were Michael "Luther" Walcher and Elizabeth "Betty" Adeline Weeden
A Son, possibly into car racing, auto mechanics in Arizona or California
Has children or family in Michigan, Arizona and Ohio
Lived in Arnett in 1912, age 6 moved there to go to school

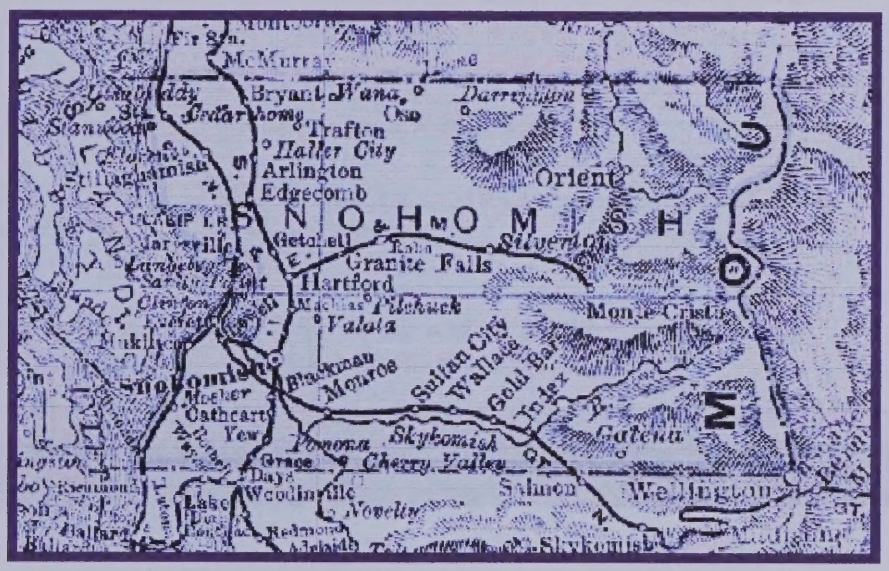
1895 MAP

Old maps are great fun. It's always interesting to see how an area has evolved over the years. Towns "vanish"; cities change in importance (as evidenced by the change in type size). An old map gives us an idea of what localities and features were important to the folks of that day.

I was particularly interested in the two railroad lines shown on the map - the Great Northern route from Everett east through Monroe, Sultan, Gold Bar and Index is one that the present-day Empire Builder travels. The Everett-Monte Cristo Railroad (from Hartford through Granite Falls and Robe) was the main route for ore from the mines in the Monte Cristo area to the processing plant in Everett.



This map is part of a larger on-line collection; I found the original file to be VERY slow-loading, and decided to re-size the file for use on the SnoCo site. You can view the original map at http://www.livgenmi.com/snohomishWA.htm

If you DO check out the original file, you'll need to use your browser's BACK BUTTON to return to this page.

MEMORIES OF EULA FAYE WALCHER BAIRD 1907-1915
Copy made from her own handwritten book and also typed copy by Lorraine Baird in Walcher/Baird file. Lorraine states this is from Me-Me's book.

Now that I have lived to reach my 60's, I try to think back and see how far my memory takes me. For sure, I can't remember where I was born, but I do know it was 1-22-07, Lonebell, Oklahoma, in Ellis County. Papa worked the farm that he and Mama's had filed on. The people that lived in Ellis county had come from all parts of the U.S. Papa came from Irving, Illinois and Mama was from Arizona (Payson) born and via to Oklahoma from Throckmorton, Texas and county by the same name. So I tell you this to let you know how different peoples modes of living were. We, Papa's family were Dutch and Mama's were Indian and English. The foods and ways of cooking were very different. My Grandmother Walcher made all the light bread they ate so my Mama had to learn to make bread. They had yeast that was passed on to the young women. My Grandma Ezell made soda biscuits and cornbread. The Ezell family ate cooked cabbage, but the Walcher Family made theirs into Kraut and what Kraut Dumplings they could make! The women were all good cooks. North and Southern. The Walchers were Methodist and Lutherans and the Ezells were Presbyterians. The people made their own entertainment. I remember when we were at Grandma Ezell's and has a new baby. Aunt Cora said that Ida and Betty were both born at Grandma's. The year that Betty was a baby we spent at Grandpa and Grandma Walcher's place while they made a visit back to Illinois. One day while Mama was washing, James and I were taking care of the baby (Betty). We were rocking the cradle too fast and dumped her out into the pile of dirty clothes. She cried out and we were too small to lift her up quick. She cried out and Mama cam to see what had happened. She probably spanked us, but I can think about it now and get a laugh since we are grown and knowing children. Grandma and Grandpa Ezell lived at Packsaddle about 10 miles from Lonebell. Papa after awhile had gone to work for a rancher by the name of George Davidson. He was a young Bronc rider and broke horses for the large ranch holdings. We moved a lot while we were all very young. I started to school when I was five years old. We lived at Packsaddle on the Alcorn place. My teach was Mrs. Rank. She lived at Grandma and Grandpa Ezell's. Her home was only about 25 miles North, but too far for horse and buggy days. Grandma garnered a little extra money from her keep. I was the youngest child in the room that year--We all were in the same room in the rural schools. I remember well one day two of the big boys did something and Mrs. Rank had them come to the front and she whipped them I never was so scared before. They laughed at her and she sent them home. We had a big apple tree orchard there on the Alcorn place. It was fall and most of the copy of apples had been harvested. But one eve James and I were down there playing and he found a big red apple. He became excited and ran to show it to Mama and fell at the step and cut his head

on a sharp corner of a rock. He bled terrible and we were so scared. But Mama picked up diapers (Ida's) and held them to catch the blood. Mr. Moody the banker from Shattuck cam in his car. (The first one I remember) and were we glad to see him and his passenger. He helped Mama and where it came from, I don't know---but a court plaster (like a band aid) on the cut. Today it would have taken several stitches to close. James has the scar. Seems a lot of thins happened while we lived there. One day it was nice and warm and an old man by the name of Mercer without any mind wandered into our house and Mama was alone. Ida was a small baby. Mama managed to keep a chair between them. The family missed him and was close on his trail. Mama was afraid for a long time. We only lived about a half mile from Grandpa and Grandma Ezell. They had two small boys at home (Uncle Joe and Jimmy) so they cam to our house a lot. One nite I went home with them to spend the nite. Guess I got homesick in the nite and cried to go home. Uncle Joe got up and carried me home and spent the rest of the nite with us. He always told about this. We had a spring and carried all our water. The birds were so pretty in the trees. The red birds I loved. Every time I saw a red bird I felt like it was kinda the Fairyland here by the Spring. In the summer we use to go down by the spring and do our washing. It was a lot of fun because we could play in the creek. We were only about a mile from the South Canadian River. The time some of the men in our family had gone to Strong City for supplies. While there we had high water and forded the river. We all were on the North side waiting and I remember Grandma and Mama cried. Now I know why. I use to go help Grandpa weed out his small onions. He was a wonderful gardener as well as a good Grandpa. He sure did love me and I was the only one he would let go into his garden. Grandpa had a big orchard and Grape arbor. We could sit under the arbor and eat the big purple concord grapes. While we lived at the Alcorn place we had the Christmas for both sides of the family at our house. A big snow had fallen and a perfect time for them to come in on their homemade sleighs. I had always dreamed of riding in a big sleigh (which wasn't too long because I was only 6 or 7) like the pictures I had seen.

About the time Santa was to arrive Papa said the cows had gotten out and he would have to get them in. I felt bad that he would miss the gifts we would have which wasn't a bit thing but Santa came and we all got something. I can remember what I got only a little china head doll with a little cloth body stuffed with excelsior. But about the time gift exchange was over Papa returned. Santa has always been a real treat for the holiday season and even when we find there isn't a real fellow in a red suit we still believe in him. Our Uncle Sam was old enough to get possession of land so he bought him 160 acres just up north of the Alcorn place. He first dug him a dug out to live in. We went to se him and he lived in this underground home until he got a small house built. James dropped my little doll on the hard dirt floor and broke it. I can remember sitting on the step and crying. I'm sure we were there to help build the house. I can remember stepping on a nail--I was always the clumsy one. Mama put my foot in a little container of kerosene. I can't imagine how people lived then--sometimes they didn't. They were thrown from horses, or dragged to death by a shy horse that didn't wait for him to get his foot from the stirrup of his saddle. There were drownings, too. Life then was about the same only a little slower pace. In my mature age I feel were pretty fortunate we didn't have some tragedies. Guess it it hadn't been for homemade linament or kerosene lard and turpentine we would never have survived a winter. We moved to the Redden community when I was in about the second or third grade. We had a man teacher. His name was Alva Pressnell. He was an old bachelor and a..... (the stories were not continued.)

MEMORIES OF EULA FAYE WALCHER BAIRD 1907-1915
Copy made from her own handwritten book and also typed copy by Lorraine Baird in Walcher/Baird file. Lorraine states this is from Me-Me's book.

Now that I have lived to reach my 60's, I try to think back and see how far my memory takes me. For sure, I can't remember where I was born, but I do know it was 1-22-07, Lonebell, Oklahoma, in Ellis County. Papa worked the farm that he and Mama's had filed on. The people that lived in Ellis county had come from all parts of the U.S. Papa came from Irving, Illinois and Mama was from Arizona (Payson) born and via to Oklahoma from Throckmorton, Texas and county by the same name. So I tell you this to let you know how different peoples modes of living were. We, Papa's family were Dutch and Mama's were Indian and English. The foods and ways of cooking were very different. My Grandmother Walcher made all the light bread they ate so my Mama had to learn to make bread. They had yeast that was passed on to the young women. My Grandma Ezell made soda biscuits and cornbread. The Ezell family ate cooked cabbage, but the Walcher Family made theirs into Kraut and what Kraut Dumplings they could make! The women were all good cooks. North and Southern. The Walchers were Methodist and Lutherans and the Ezells were Presbyterians. The people made their own entertainment. I remember when we were at Grandma Ezell's and has a new baby. Aunt Cora said that Ida and Betty were both born at Grandma's. The year that Betty was a baby we spent at Grandpa and Grandma Walcher's place while they made a visit back to Illinois. One day while Mama was washing, James and I were taking care of the baby (Betty). We were rocking the cradle too fast and dumped her out into the pile of dirty clothes. She cried out and we were too small to lift her up quick. She cried out and Mama cam to see what had happened. She probably spanked us, but I can think about it now and get a laugh since we are grown and knowing children. Grandma and Grandpa Ezell lived at Packsaddle about 10 miles from Lonebell. Papa after awhile had gone to work for a rancher by the name of George Davidson. He was a young Bronc rider and broke horses for the large ranch holdings. We moved a lot while we were all very young. I started to school when I was five years old. We lived at Packsaddle on the Alcorn place. My teach was Mrs. Rank. She lived at Grandma and Grandpa Ezell's. Her home was only about 25 miles North, but too far for horse and buggy days. Grandma garnered a little extra money from her keep. I was the youngest child in the room that year--We all were in the same room in the rural schools. I remember well one day two of the big boys did something and Mrs. Rank had them come to the front and she whipped them I never was so scared before. They laughed at her and she sent them home. We had a big apple tree orchard there on the Alcorn place. It was fall and most of the copy of apples had been harvested. But one eve James and I were down there playing and he found a big red apple. He became excited and ran to show it to Mama and fell at the step and cut his head on a sharp corner of a rock. He bled terrible and we were so scared. But Mama picked up diapers (Ida's) and held them to catch the blood. Mr. Moody the banker from Shattuck cam in his car. (The first one I remember) and were we glad to see him and his passenger. He helped Mama and where it came from, I don't know---but a court plaster (like a band aid) on the cut. Today it would have taken several stitches to close. James has the scar. Seems a lot of thins happened while we lived there. One day it was nice and warm and an old man by the name of Mercer without any mind wandered into our house and Mama was alone. Ida was a small baby. Mama managed to keep a chair between them. The family missed him and was close on his trail. Mama was afraid for a long time. We only lived about a half mile from Grandpa and Grandma Ezell. They had two small boys at home (Uncle Joe and Jimmy) so they cam to our house a lot. One nite I went home with them to spend the nite. Guess I got homesick in the nite and cried to go home. Uncle Joe got up and carried me home and spent the rest of the nite with us. He always told about this. We had a spring and carried all our water. The birds were so pretty in

the trees. The red birds I loved. Every time I saw a red bird I felt like it was kinda the Fairyland here by the Spring. In the summer we use to go down by the spring and do our washing. It was a lot of fun because we could play in the creek. We were only about a mile from the South Canadian River. The time some of the men in our family had gone to Strong City for supplies. While there we had high water and forded the river. We all were on the North side waiting and I remember Grandma and Mama cried. Now I know why. I use to go help Grandpa weed out his small onions. He was a wonderful gardener as well as a good Grandpa. He sure did love me and I was the only one he would let go into his garden. Grandpa had a big orchard and Grape arbor. We could sit under the arbor and eat the big purple concord grapes. While we lived at the Alcorn place we had the Christmas for both sides of the family at our house. A big snow had fallen and a perfect time for them to come in on their homemade sleighs. I had always dreamed of riding in a big sleigh (which wasn't too long because I was only 6 or 7) like the pictures I had seen.

About the time Santa was to arrive Papa said the cows had gotten out and he would have to get them in. I felt bad that he would miss the gifts we would have which wasn't a bit thing but Santa came and we all got something. I can remember what I got only a little china head doll with a little cloth body stuffed with excelsior. But about the time gift exchange was over Papa returned. Santa has always been a real treat for the holiday season and even when we find there isn't a real fellow in a red suit we still believe in him. Our Uncle Sam was old enough to get possession of land so he bought him 160 acres just up north of the Alcorn place. He first dug him a dug out to live in. We went to se him and he lived in this underground home until he got a small house built. James dropped my little doll on the hard dirt floor and broke it. I can remember sitting on the step and crying. I'm sure we were there to help build the house. I can remember stepping on a nail--I was always the clumsy one. Mama put my foot in a little container of kerosene. I can't imagine how people lived then--sometimes they didn't. They were thrown from horses, or dragged to death by a shy horse that didn't wait for him to get his foot from the stirrup of his saddle. There were drownings, too. Life then was about the same only a little slower pace. In my mature age I feel were pretty fortunate we didn't have some tragedies. Guess it it hadn't been for homemade linament or kerosene lard and turpentine we would never have survived a winter. We moved to the Redden community when I was in about the second or third grade. Typed copy of Booklet 3/1996

Now that I have lived to reach my 60's I try to think back & see how far my memory takes me. For sure I can't remember where I was born but I do know it was 1-22-07 Lonebell Oklahoma, in Ellis County.

Papa worked the farm that he & Mama had filed on. The people that lived in Ellis C. had come from all parts of the U.S. Papa Came from Irving, Illinois and Mama Was Arizona (Payson) born and via to Oklahoma from Throckmorton Texas and county by the same name. So I tell you this to let you know how different peoples modes of living were. Well Papa's family were Dutch & Mama's were Indian and English. The foods and ways of cooking were very different.

My Grandmother Walcher made all the light bread they ate so my Mama had to learn to make bread. They had yeast that was passed on to the young women. My Grandma Ezell made soda biscuits & cornbread. The Ezell family ate cooked cabbage, but the Walcher Family Made theirs into Kraut and what Kraut Dumplings they could make. The women were all good Cooks. North or Southern.

The Walchers' were Methodist & Lutherans and the Ezells' were Presbyterians.

The people made their own entertainment. I remember when we were at Grandma Ezells and had a new baby. Aunt Cora said that Ida & Betty were both born at Grandmas. The year that Betty was a baby we spent at Grandpa and Grandma Walcher's place while they made a visit back to Illinois. One day while Mama was washing, James & I were taking care of the baby(Betty). We were rocking the cradle too fast & dumped here out into the pile of dirty clothes. She cried out & we were too small to lift her up quick. She cried out and Mama came to see what had happened. She probably spanked us but I can think about it now & get a laugh since we are grown and knowing

children. Grandma & Grandpa Ezell lived at Packsaddle about 10 mi. from Lonebell.

Papa after a while had gone to work for a rancher by the name of George Davidson. He was a young Bronc rider & broke horses for the large ranch holdings. We moved a lot while we were all very young. I started to school when I was five yrs. old. We lived at Packsaddle on the Alcorn place. My teacher was Mrs. Rank. She lived at Grandma & Grandpa Ezells. Her home was only about 25 miles N. but too far for horse & buggy days. Grandma garnered a little extra money from her keep.

I was the youngest child in the room that year.--~~The-boys-in-the-school-were-big-&-strong.~~ We all were in the same room in the rural schools. I remember well one day two of the big boys did something & Mrs. Rank had them come to the front and she whipped them I never was so scared before. They laughed at her & she sent them home. We had a big apple orchard there on the Alcorn place. It was fall & most of the crop of apples had been harvested. But one eve James & I were down there playing & he found a big red apple. He became excited & ran to show it to Mama & fell at the step & cut his head on a sharp corner of the rock. He bled terrible. We were so scared. But Mama picked up diapers (Ida's) & held them to catch the blood. Before it was completely stopped fate, must have been with us. Mr. Moody the banker from Shattuck came in his car. (The first one I remember) and were we glad to see him & his passenger. He helped Mama and where it came from I don"t know ~~but-it~~ put a court plaster (like a band aid) on the cut. Today it would have taken several stitches to close. James has the scar.

Seems a lot of things happened while we lived here.

One day it was nice & warm and an old man by the name of Mercer

condition. Grandma & Grandpa Ezell lived at Packsaddle about 10 mi. from Lampasas.

Papa after a while had gone to work for a rancher by the name of George Davidson. He was a young broncbuster & broke horses for the large ranch holdings. We moved a lot until we were all very young. I started to school when I was five yrs. old. We lived at Packsaddle on the Ranch place. My teacher was Mrs. Rank. She lived at Grandma & Grandpa Ezell's. Her home was only about 15 miles N. but too far for them a 3 day drive. Grandma generated a little extra money from her teaching.

I was the youngest child in the room that year--the-boys-in-the-entire-room-only-a-baby; we all were in the same room in the rural school. I remember well one day two of the big boys from old Hamilton & Mrs. Rank had them come to the front and she whipped them I never was so scared before. They laughed at her & went back home. We had a big apple orchard there on the Alcorn place. It was fall & most of the trees of apples had been harvested. But one afternoon I went down there playing & he found a big red apple. He became excited & ran to show it to me. I fell at the edge & cut his head on a sharp corner of the rock. We did realize. We were so scared. But Papa poured up alcorn rubbing alcohol & had them to catch the blood. Before it was completely stopped late, Jesse came home with us. Mr. Moody the owner from Lampasas came in his car. The first cab I remember and were we glad to see him & his passenger. He helped Papa and where it came from I don't know but-it put a sort plaster (like a band-aid) on the cut. Today it would have taken several stitches to close. Jesse was the case.

Seems a lot of things happened while we lived there.

One day it was dire & warm and an old man by the name of Barnes

~~that didn't have a mind~~ without any mind wandered into our house & Mama was alone. Ida was a small baby. Mama managed to keep a chair between them. The family missed him & was close on his trail. Mama was afraid for a long time.

We only lived about a ½ mile from Grandpa & Grandma Ezell. They had two young boys at home (Uncle joe and Jimmy) so they came to our house alot.

One nite I went home with them to spend the nite. Guess I got homesick in the nite & cried to go home. Uncle Joe got up & carried me home and spent the rest of the nite with us. He always told me about this.

We had a spring and Carried all our water. The birds were so pretty in the trees. The red birds I loved. Everytime I saw a red bird I felt like it was kinda the Fairyland here by the Spring.

In the summer we use to go down by the Spring & do our washing. It was a lot of fun because we could play in the creek. We were only about a mile from the South Canadian River. ~~One~~ The time some of the men in our Family had gone to Strong City for supples. While there we had high water and they forded the river. We all were on the N. side waiting and I remember Grandma & Mama cried. Now I know why.

I use to go help Grandpa weed out his small onions. He was a wonderful gardener as well as a good Grandpa. He sure did love me & I was the only one he would let go into his garden.

Grandpa had a big orchard and Grape arbor. We could sit under the arbor & eat the big purple concord grapes.

While we lived at the Alcorn place we had the Christmas ~~for the families of both sides of the family~~. at our house. A big snow had fallen & a perfect time for them to come in their home made sleighs.

I had always dreamed of riding in a big sleigh (which wasn't too long because I was only 6 or7.) like the pictures I had seen.

About the time it was time for Santa to arrive Papa said the cows had gotten out & he would have to get them in. I felt bad that he would miss the gifts we would have which wasn't a big thing but Santa came & we all got something. ~~and~~ I can't even remember what I got only a little china head doll with a little cloth body stuffed with excelsior. But about the time gift exchange was over Papa returned. Santa has always been a real treat for the holiday Season and even when we find there isn't a real fellow in a red suit we still believe in him.

Our Uncle Sam was old enough to get possession of land so he bought him 160 acres just up north of the Alcorn place. He first dug him a dug out to live in. We went to see hime and he lived in this underground home until he got a small house built. James dropped my little doll on the hard dirt floor & broke it. I can remember sitting on the step and crying. I'm sure we were there to help build the house. I can remember stepping on a nail--I was always the clumsy one. Mama put my foot in a little container of kerosene. I can's imagine how ~~people~~ lived then--Sometimes they didn't. They were thrown from horses, or dragged to death by a shy horse that didn't wait for him to get his footfrom the stirrup of his saddle. There were drownings,too. Life then was about the same only a little slower pace. In my mature age I feel we were pretty fortunate we didn't have some tragedies. Guess if it hadn't been for home made liniment of kersoene lard & turpentine we would never have survived a winter.

We moved to the Redden community when I was in about the 2nd or 3rd grade. We had a man teacher. His name was Alva Pressnell. He was an old bachelor and a----

Memories of Xenas and Ola Walcher

Barbara,

In clarification, Papa died before Mama. She outlived him by probably 18 years.

I remember very little about my grandfather. About all I remember is one visit he paid to my family while we lived on Monroe Street in Amarillo. Grandad came (I guess from Illinois) and we had a family reunion at our house. All of the cousins came. I was probably 3-4 years old at the time. I don't even remember anything about him except that he was there and that he wore a fedora hat.

My aunt Elva, the youngest in the family was living with my folks and me in Amarillo while she completed high school. Grandmother (Mama) and the two youngest boys were living in Questa NM. The family had been living there before Papa left to go to Illinois for work. Mama was stubborn and she did not want to go to Illinois so she stayed in Questa. She and the 3 children lived there for a few years. She worked as a cook in a small roadside restaurant and the kids went to school. I don't recall specifically, but my folks told me there were times when things were very tough economically. Mama's refusal to join Papa was one of the reasons they were divorced. He filed for divorce based on abandonment and won. Because things were so tough and the situation was hard for Elva, she came to live with us.

After a few years of this subsistence living Mama gave up and moved back to the Texas Panhandle. The rest of the kids were living in that area. Mama and the boys settled in Panhandle where the 2 older sisters lived. It was not long until the Second World War began and the boys joined the military – Leroy the Air Force and Jack, the Army. Leroy spent most of the war in the Pacific zone and Jack was in Europe.

I must have been about 6 years old when Papa was killed. There was not much said about it at our house. I just remember my father and the sisters going to Illinois for the funeral. We could not afford for all of our family to go. Papa was buried in a little cemetery in Irving Illinois. Barbara and I were able to visit there a few years ago. This is the cemetery where many of the early Walchers were buried –including Adam, the first of our known line. Unfortunately, his grave marker was not there –I'm sure worn away by the wind and time.

Mama was about 1/8 Indian and had the physical appearance of a small Indian woman. She was probably 5 feet or slightly less. But, she was tough and wise. She knew a lot about nature and plants. During the war my father began a second hand store as a sideline to his work at the newspaper. He often worked the graveyard shift at the paper and then did the store during his waking hours. It was not too long before the store was more successful and he needed to be open more hours. So, he built small living quarters in the back of the store where Mama lived, so she could man the store while he was working. She was a shrewd bargainer and did an excellent job in sales. One night someone broke into the store, probably not knowing that someone lived there. Mama

One night someone broke into the store, probably not knowing that someone lived there. Mama

routed them and I'm sure scared them. Then, at 2 AM she walked down the street to the house where we lived and told Dad about the attempted robbery. She lived and worked in the store for several years. My favorite memories of those years were about fishing. Mama loved to fish. And, with my dad working the evening or night shift it was not possible to go fishing during the day. So during the summer, Dad would get off work at 10 PM, come by the house and get me, we'd go to the store and get Mama and we'd all head off to the lake (about 35 miles away) to go fishing for catfish. On the way we would stop at a small 24-hour store in Umbarger and buy a block of cheese, a chunk of bologna, a box of saltine crackers and a case of cokes. We'd arrive at the lake about midnight and start fishing. We used poles and rods for equipment. In my mind's eye I can see her standing there at lakeside holding a cracker, cheese and bologna sandwich and casting her line to the fish. Inevitably, she caught more fish than Dad and I combined. Then, after the war my father began to sell real estate and the second hand business took a back seat. After a couple of successful years selling houses, he closed the store and Mama moved back to Panhandle. All of the family chipped in and bought her a small house, which needed a lot of work. Everyone worked hard so she would have a clean place to live. This house was on the edge of town and away from any of the family. After a while everyone worried about her being out there alone and the house was moved closer to the older daughters. I have one strong memory about that house. One summer we were visiting from Amarillo and most of the family was gathered. About 2 PM a hive off bees swarmed the back of the house. I think they must have been migrating. They found holes into the walls and set up shop. The sound was very loud and there must have been 50,000 to 100,000 bees. It was so loud that you couldn't sleep in the house that night. Then the next morning as if it had been just a "motel", the bees flew off.

Mama lived in that house for many years and finally died there.

My parents:

My mother was born in Bell County (Belton now) down by Temple, Texas. Her family consisted of 4 girls and 2 boys. My grandfather was apparently a brilliant man but because of a lack of funds was never able to do any academic schooling. During high school he was a formidable debater and we still have a copy of his arguments in one debater arguing concerning the building of the seawall in Galveston after the devastating hurricane there. While my mother was still young they moved up to Crosby County near Lubbock because they had extended family there. The circumstances are not clear but while he was in his early 40's my grandfather died. Some say it was a heart attack and others a suicide. That left my grandmother with the children. When my eldest uncle graduated from high school, he got a job in Alanreed Texas. That was his way of escaping the difficulties of the family. But, that did not last long. Things became more difficult for "Grannie" so she moved the family to Alanreed and uncle Buford assumed the role of man of the house and breadwinner. My mother graduated as Valedictorian of Alanreed High School. She wanted to go to college, but there was no money. So, instead, she moved to Pampas, Texas and went to work as a bookkeeper in a car dealership. She later worked for a physician. While working there she met my father who was in the

newspaper business as a "make-up" man. That is, he put the pages together after they were produced on the linotype machine. Interestingly, I can remember his being able to read reverse type as well as he could read forward type. At the height of the depression they got married when they did not have two nickels to rub together. For many years they struggled financially. Dad could not get a steady job. Until I was about 10 years old he worked as a "sub" at the Amarillo paper. Incidentally, they moved to Amarillo when I was about 18 months old. About the best time for them financially was during World War II. Dad worked periodically as a welder's helper while they were building Amarillo Air Force Base. Also during the 1940's my mother began using her bookkeeping background to learn to file income taxes. So, yearly during tax season she brought in additional income. After the war Dad became acquainted with some fellows who were working in the residential real estate business. Things were booming and they asked if he'd be interested in trying his hand at sales. He did and became fairly successful. After a couple years of combining newspaper work and real estate he became successful enough to drop the newspaper job. During most of my childhood years he was in sales. It was fortunate for me, an only child that he was now economically stable enough that I was able to go to college and not have to work or take any loans.

After several years in real estate with a cooling market he became a bit bored. When he was bored he began going to garage and yard sales and buying up merchandise. The family garage again reverted, as it had in the 1940's, to a second hand store of sorts. My mother, no fan of clutter, got very frustrated with him as he brought all this "stuff" home. So one day she told him he might as well open a store if he was going to spend so much of his time and energy this way. So, in the late 1960's he opened the "House of Wonders" which he operated until he was in his 80's. He owned an old ramshackle building and it was crammed with "merchandise". I can remember vividly my thoughts during the last years of his life –"What am I going to do with this after he dies?" I dreaded the possibility. Thankfully, in the last 15 months before he died he sold the business and I was spared that task.

Transplant Patients All Doing Well

Multiple Transplants Performed

A Methodist Hospital transplant team in Houston, Tex., performs surgery on William J. Whaley, 39, of Ft. Lauderdale, Fla. He received the lung from a Houston woman who died of a gunshot wound. Three other organs from the same woman, including the heart and both kidneys, were transplanted to three other persons. UPI Telephoto.

HOUSTON, Tex. (AP) — The four recipients of transplanted organs of a 20-year-old shooting victim were listed in satisfactory condition today.

A spokesman at Methodist Hospital said the heart recipient, William C. Carroll, 50, Scottsdale, Ariz., and the lung recipient, William J. Whaley, 39, of Fort Lauderdale, Fla., sat up in bed and took nourishment Sunday.

Thomas A. Stevenson, 22, of Houston, and William C. Kaiser, 41, of Odessa, Tex., the two kidney recipients, were making excellent progress, the spokesman said.

All have been visited by their families.

The organs were transferred Saturday by five teams totaling more than 60 physicians, nurses and aides.

Dr. Michael E. DeBakey, who led the mass operation, said it was the first time that four organs from one donor had been transplanted.

The donor was Nelva Lou Hernandez, wife of a Houston warehouse foreman. Her corneas also were removed and placed in an eye bank.

The heart transplant was the 36th in the world and the 11th in Houston.

DeBakey developed the mechanical heart pump, which allows a damaged heart to heal after surgery. The heart transplant was his first.

Officer Held In Death Of Little Girl

MIDLAND, Tex. (AP) — Michael Lee Moody, a rookie policeman, was held in jail without bond today pending an examination trial Tuesday in the death of 2-year-old Lori Margaret Gunn.

Moody was charged with murder with malice Saturday after the partially nude body of the child was discovered in the home of Jack Walcher, Moody's stepfather and a former Midland city councilman.

The girl's parents, Mr. and Mrs. Harry L. Gunn, said Lori had been missing more than 19 hours. She was last seen riding her tricycle under the carport of the Walcher residence, next door to her own home.

Moody, a son of Mrs. Walcher by a previous marriage, was arrested as he and Sgt. Vince Conklin searched the Walcher home, which was being used as a command post in the search.

Conklin said that as they entered a bedroom, a closet door was slightly open and Moody tried to close it by backing against it.

Conklin said he opened the door and the lower part of the girl's body fell from a sleeping bag. Moody was arrested immediately.

Moody was discharged from the Marine Corps last November after serving two years in Vietnam. He joined the Midland Police Department about two weeks after his discharge.

Wilson Pushes Austerity Act

BLACKPOOL, England (AP) — Prime Minister Harold Wilson is expected to push ahead with his austerity campaign despite protests at the annual assembly of the giant Trades Union Congress opening today.

The storm against the government would have been worse but for the Soviet invasion of Czechoslovakia. Because of that resolutions attacking Wilson's support of the Americans in Vietnam and other foreign policy ventures are missing from the agenda.

However, delegates arriving here in this West Coast resort made no effort to hide their anger over the government efforts to curb wage raises. They are also worried over unemployment, which has risen steadily for six months and on Aug. 22 totaled 585,000, or 2.4 per cent of the total population. This is the highest level for August since 1945 and the peak since February. Nor is he expected to relax the austerity program in spite of the 1963, when a severe winter wage controls which he hopes. Vietnam and other foreign policy ventures are missing from the agenda.

Economists predict the number of jobless will grow to 750,000 by February as Wilson's austerity program hits harder.

That is bound to please the foreign bankers who for four years have been financing the country's continuing trade deficit. Wilson is not considered likely to ease credit restrictions imposed last November. Nor is he expected to relax the austerity program which he hopes will keep manufacturing costs down and help make British products competitive abroad.

About Eddins-Walcher

Mr. Frank Harrell founded Frank's Fuels, Inc.'s in 1959. Its customers are located in a geographic area encompassing approximately a 150-mile radius form the Odessa headquarters. This customer base is made up of a variety of businesses, including well servicing units, drilling rigs, municipalities, utility concerns, and the retail public. The company was sold to an investor group headed by Tom Kelly in 1997 and became the first member of the United Fuel & Energy Companies.

Frank's Fuels was the leader in servicing the oil field related businesses and specialized in 24 hour a day, 7 day a week rig fueling services.

Mr. Stanley Eddins founded what became Eddins-Walcher in 1937. Mr. Jack Walcher came to work for the company on July 3,1937 as an accountant. At that time the company was located solely in Rankin, Texas; but in July of 1937, a branch office was opened in Hobbs, New Mexico.

During the forties and fifties, Eddins-Walcher Company expanded their areas of operation throughout West Texas. On September 20, 1946, Eddins-Walcher purchased a butane company in Odessa, Texas, and quickly began to expand this area of its business into all of its branches.

In mid 1964, the company decided to diversify its customer base from primarily oilfield oriented to an agricultural base. Throughout the sixties and seventies, Eddins-Walcher expanded through purchases of existing companies and the addition of more branch locations.

In 1964, having directed the business to become one of the largest propane and lubricants distributors in the state of Texas, Mr. Eddins sold the company to Mr. Walcher. Dear Barbara.

So sorry I haven't got back to you sooner.

I put Joe in the hospital first of Jan with blood clots in legs and lungs plus a Major Infection throughout his body. He was critical. All started from his arthirist. He is now home, but can't walk. uses wheel chair. Joe has had surgery on both knees. Had knee replacement. The infection attacked the Right knee. They took out R. knee and put spacer in R. knee place so we are waiting until all infection + clot are gone to replace R. knee. Probably the first of March.

we have a nurse 3 times a week plus physical therapy every day for 2 weeks. Then I am on my own.

I am sending some pictures all that I have (Copys). Lost everything in house fire seven years ago. so don't have any pictures

I don't have any information on Luther Ray Walker or Ida.

Beagle - Ficklin exchange vows

Woodward's First Baptist Church wedding chapel was the setting for the Oct. 12 wedding of Daryn Una Beagle and Jimmy Clyde Ficklin.

Daryn's mauve and pastel pink color scheme was a natural for the soft candlelight and pale pastel color of the chapel. A twenty-one candle arch with fresh greenery, potted plants, fresh cut flowers, ribbons, bows and a kneeling bench made up the wedding area decor.

The bride chose for her attendants, as matron of honor, her sister, Quineta Wylie, Arnett, and Cassandra Steed, Dallas, Texas, niece of the bride, as flower girl. Brother of the groom, Don Ficklin, Oklahoma City, was the best man. Junior ringbearer was Treavor Wylie, Arnett, newphew of the bride. Hud Steed, Dallas, also nephew of the bride was candlelighter.

Mrs. Alma Miller, organist, played a medley of appropriate music. Berylene Steed sang, "Flesh of My Flesh".

The bride wore an Eve of Milady bridal gown of satin with a fitted bodice of alencon lace lavished with seed pearls and sequins. The high neck was a collar of lace with a pearl medallion. The modified leg-o-mutton sleeves were appliqued with lace and pearls. The sheath skirt was richly appliqued with alencon lace and pearls and flowed into a cathedral length train of organza with lace appliques. The bride's satin hat featured a border trim of alencon lace with a spray of silk flowers, all highlighted with a pouf of illusion and a fingertip veil. She carried a large bridal bouquet of roses, ranging in color from mauve to pastel pink with flowing pastel pink ribbons.

The matron of honor also wore an Eve of Milady bright mauve satin dress with a fitted bodice and dropped waist, accented with a large candy box bow. The short pouf sleeves were to be worn on or off the shoulder, matching gauntlets gave the illusion of long fitted sleeves. The softly gathered skirt was floor length. A matching colored satin hat was highlighted with pearls and silk flowers and had an illusion pouf with shoulder length veil. She carried a bouquet that was a smaller version of the bride's.

The junior flower girl wore a pastel pink moire tea length gown with matching slippers. She had a garland of mixed flowers intertwined in her long blonde hair. She carried a mauve basket of fresh flowers.

Rev. Lowell Long, Laverne, was the minister in charge. Phylis Wimer of Kingmon, Kan. was in charge of the guest book.

Mrs. Beagle chose a pastel pink wool suit for her daughter's wedding and Mrs. Ficklin chose a street length dress of navy polyester crepe. They wore mauve corsages with pastel pink ribbon.

Mr. Dan Deweese, Woodward and Capt. Rick Ficklin, Washington D.C. were the ushers.

A reception was held at the Holiday Inn following the wedding. Karen Ficklin and Sylvia Deweese served at the reception after which the couple left for a honeymoon in Hawaii. They are now at home in Woodward.

Daryn graduated from N.W.O.S.U., Alva, in May 1984 with a degree in Business Management. She is presently employed at the Bank of Woodward. Jim also graduated from N.W.O.S.U. with a degree in Business Administration and is presently branch manager for Mid-Continent Casualty Co. in Woodward.

Among the out of town guests attending the wedding were Capt. Rick Ficklin, Washington D.C., Mr. and Mrs. Bud Steed, Hud and Cassandra, Dallas, Texas, Mr. and Mrs. Don Ficklin, Oklahoma City, Mr. and Mrs. Bob Ficklin, Oklahoma City,

The bride chose for her attendants, as matron of honor, her sister, Quineta Wylie, Arnett, and Cassandra Steed, Dallas, Texas, niece of the bride, as flower girl. Brother of the groom, Don Ficklin, Oklahoma City, was the best man. Junior ringbearer was Treavor Wylie, Arnett, newphew of the bride. Hud Steed, Dallas, also nephew of the bride was candlelighter.

Mrs. Alma Miller, organist, played a medley of appropriate music. Berylene Steed sang, "Flesh of My Flesh".

The bride wore an Eve of Milady bridal gown of satin with a fitted bodice of alencon lace lavished with seed pearls and sequins. The high neck was a collar of lace with a pearl medallion. The modified leg-o-mutton sleeves were appliqued with lace and pearls. The sheath skirt was richly appliqued with alencon lace and pearls and flowed into a cathedral length train of organza with lace appliques. The bride's satin hat featured a border trim of alencon lace with a spray of silk flowers, all highlighted with a pouf of illusion and a fingertip veil. She carried a large bridal bouquet of roses, ranging in color from mauve to pastel pink with flowing pastel pink ribbons.

The matron of honor also wore an Eve of Milady bright mauve satin dress with a fitted bodice and dropped waist, accented with a large candy box bow. The short pouf sleeves were to be worn on or off the shoulder, matching gauntlets gave the illusion of long fitted sleeves. The softly gathered skirt was floor length. A matching colored satin hat was highlighted with pearls and silk flowers and had an illusion pouf with shoulder length veil. She carried a bouquet that was a smaller version of the bride's.

The junior flower girl wore a pastel pink moire tea length gown with matching slippers. She had a garland of mixed flowers intertwined in her long blonde hair. She carried a mauve basket of fresh flowers.

Rev. Lowell Long, Laverne, was the minister in charge. Phylis Wimer of Kingmon, Kan. was in charge of the guest book.

Mrs. Beagle chose a pastel pink wool suit for her daughter's wedding and Mrs. Ficklin chose a street length dress of navy polyester crepe. They wore mauve corsages with pastel pink ribbon.

Mr. Dan Deweese, Woodward and Capt. Rick Ficklin, Washington D.C. were the ushers.

A reception was held at the Holiday Inn following the wedding. Karen Ficklin and Sylvia Deweese served at the reception after which the couple left for a honeymoon in Hawaii. They are now at home in Woodward.

Daryn graduated from N.W.O.S.U., Alva, in May 1984 with a degree in Business Management. She is presently employed at the Bank of Woodward. Jim also graduated from N.W.O.S.U. with a degree in Business Administration and is presently branch manager for Mid-Continent Casualty Co. in Woodward.

Among the out of town guests attending the wedding were Capt. Rick Ficklin, Washington D.C., Mr. and Mrs. Bud Steed, Hud and Cassandra, Dallas, Texas, Mr. and Mrs. Don Ficklin, Oklahoma City, Mr. and Mrs. Bob Ficklin, Oklahoma City, Mr. and Mrs. Alan Wylie and Treavor, Arnett, Mrs. Bertha Stimson, Sallisaw and Mrs. Doris Nelms, Wynewood, grandmothers of the bride and groom, respectively and many other relatives and friends.

Vaccine developer warns of new phenomenon

Dr. Albert Sabin, oral polio vaccine developer, has warned of a new phenomenon, post-polio syndrome. It has also been referred to as post-polio sequelae, or the "late effects" of polio.

Research has begun to find both the cause and the extent of the problem. Many post-polio's (numbers range anywhere from 250,000-400,000) are experiencing increased fatigue, muscle weakness and pain. Some victims are being forced back into braces, wheelchairs or ventilators, which they left many years ago, after reaching their peak recovery.

The post-polio syndrome is occuring in both the young and the elderly, due to what researchers are saying is a premature aging of nerves damaged by the earlier polio infection. Many doctors in practice today have never seen polio, which compounds an already existing problem

"It's a reality. It's there and it's not just in people's minds", said Dr. Sabin.

Do husbands spend more time with in-laws?

Ann Landers

DEAR ANN LANDERS: You did it again and I am furious. Several years ago you said a tired, insane, senseless line and several men and their mothers wrote to object. You promised not to use it again, but here is is — plain as day. I refer to that stupid saying, "A son is a son until he takes a wife, but a daughter is a daughter all of her life."

Your contention was when sons marry they are taken over by their wives' family and drift away from their own. I worried when I read that because I had seen it happen in some cases. My own husband, however, remained very close to his parents and so did his three brothers.

Our sons, ages 34 and 30, remain quite close to us and I see no signs that this will change, so will you please knock it off, Annie? It doesn't wash.

--TEED OFF IN SANTA MONICA

DEAR TEED: Sorry to dispute your statement, but the old saying is quite true in at least seven out of ten marriages, according to the mail we receive in this office — and our mail is just about as honest a barometer as you will ever find. People tell me the truth. No reason for them to lie. I don't know them and they don't know me. Many letters are unsigned.

The major complaint from mothers about their married sons is this one: "We never see our sons anymore. They are always at their in-laws' house because that's the way their wives want it. We feel very hurt, especially at Thanksgiving and Christmas." I'm glad it's different with your sons, but they are exceptions, not the rule.

DEAR ANN LANDERS: I was interested in your reply to the woman who wanted to know if it was OK for a physician to give his teenage (older) daughters pelvic examinations. You said the doctors with whom you consulted were not in favor of treating members of their own family.

What about nurses who work in the offices of physicians? Should their male boss give them pelvic examinations?

--BLOOMINGTON, IND.

DEAR BLOOMINGTON: I consulted three physicians. One said no. Two said they did perform such examinations because their nurses insisted. The women claimed they had more confidence in their bosses than in any other doctor. Also it was more convenient: no appointment, no waiting and no bill.

DEAR ANN LANDERS: My boyfriend (21) and I (20) have been going out together for the past six years. We've both gone out with other people but for the past three years we've dated each other exclusively. We have problems like other couples, but one thing about him bothers me a lot.

Jerry can't verbalize his feelings for me. I realize his family life has a lot to do with it (cold parents). But I am so tired of saying, "I love you," and hearing him say, "I do you, too." I know he loves me but I need to hear him say it. Any suggestions?

--SILENT LOVE IN THE CAROLINAS

DEAR CAROLINAS: Once you break the sound barrier, things will be better. Give him lessons like this: "Repeat after me: I LOVE YOU . . . ." After he hears himself say a few times it will be easier. Respond enthusiastically when he does. Patience, persistence and appreciation are the key words.

Ann Landers' booklet, "Sex and the Teenager," explains every aspect of sexual behavior — where to draw the line, how to say no, the various methods of contraception, the dangers of VD, the symptoms and where to get help. For a copy, send $2 and a long, self-addressed, stamped envelope (39 cents postage) to Ann Landers, P.O. Box 11995, Chicago, Ill. 60611. COPYRIGHT 1985 NEWS AMERICA SYNDICATE

Create gifts with little time, money

'Tis the season for gifts — gifts for friends, family, co-workers, newspaper carriers, hostesses. Your list can seem infinite. Your budget is finite.

If you have a sewing machine, a few minutes, and not more than a few bucks, you can bridge that gap with quick, pretty, and much-appreciated gifts, says Jan Saunders, author of the twice-printed "Speed Sewing," and consultant to White Sewing Machine Company.

"Besides our regular gift lists, December often holds a lot of parties," Saunders says. "I don't like to go empty-handed, even if the party's last minute. These ideas make one-of-a-kind gifts that are useful and proven pleasers. No one needs to know how fast you sewed it; just smile and enjoy their appreciation as everyone asks how you found the time.

"The best overall timesaver for these or any sewing project is a smooth-running machine. Today's machines offer significant timesaving advantages. I won't sew without a serger. I use it in tandem with my conventional machine. With a serger, I can produce professional results in much less time."

These projects can also be sewn on a conventional machine.

Champagne Snuggler

"This gift takes six or seven minutes to sew, and costs less than $5. It makes a pretty presentation, too," Saunders says.

Start with a ready-made, oval, quilted placemat, available in a range of elegant, solid colors or classy prints. Fold it lengthwise, right sides together. Stitch straight across the narrow end, ignoring the curve of the oval. Trim seam, including the excess fabric of the oval.

"A serger completes this frequent step — stitching, overcasting, and trimming — in one quick operation, cutting 30 to 40 percent off your sewing time," Saunders says.

Stitch the long edge, leaving ¼-inch seam allowance, stopping and backstitching at the top of the placemat, where it starts to curve. Turn the placemat right side out, and attach coordinating ribbons to the open "neck" of the snuggler, so they can be tied around the bottle. "The oval placemat, which curves up behind the bottle and away in front, makes this an especially attractive gift," Saunders says.

If you want to make several snugglers, you can lower the cost by buying several placemats at once, and purchasing a case of wine or champagne instead of individual bottles.

Patchwork Christmas Stocking

"You may have an old, battered, patchwork quilt or comforter knocking around your attic or closet. If not, you can easily find old quilts at garage sales for a few dollars. Usually, the middle is completely worn out, but the bright patchwork near the edges is like new, with brilliant colors, excellent workmanship, and a pretty design," Saunders says.

Start by drawing a Christmas stocking pattern on newspaper. Pin the pattern to the quilt, positioning it to use as much of the patchwork as possible. Use the bias if needed. Cut a second stocking, for the back side, from muslin.

With right sides of the muslin and quilt together, stitch the edges, leaving ¼-inch seam allowance. Leave the top of the stocking open. Turn right side out.

Using the muslin, cut a stocking cuff. The length of the cuff should equal the circumference of the stocking, plus ½ inch for a seam allowance. Cut the width twice as wide, plus ½ inch, as you want the finished cuff to be.

To monogram the recipient's name in the proper place, fold the cuff lengthwise and position it on the top of the stocking. Lightly mark where the monogram should start.

Monogram the name through a single thickness of muslin. "With some machines, you can fill the bobbin with pearl cotton or ⅛-inch-wide, soft ribbon and make a distinctive monogram," Saunders says. "For a Christmas stocking monogram, you might consider filling the bobbin with metallic thread. On many machines, you can use a twin needle to make a broader monogram."

Finish the long edge of the cuff nearest the monogram.

With right sides together, stitch the cuff into a cylinder, leaving ¼-inch seam allowance, and turn.

Pin cuff to stocking, right sides together, positioning the monogram correctly. Stitch, leaving a ¼-inch seam allowance. Press the seam toward the cuff. Fold the upper half of the cuff to the inside, and hand or machine stitch in place.

Using a machine tack, attach a ribbon at the stocking top, and hang by the chimney with care.

"The long edge of the cuff can be trimmed with grosgrain ribbon to create a tailored effect for boys, or trimmed with eyelet lace for girls," Saunders says. "They're darling, and fast and easy. They make especially good Christmas gifts, monogrammed with the baby's name, for new parents."

Log Carrier

"A sturdy, canvas log carrier makes a useful gift for friends who must continually make trips from woodpile to fireplace. Using canvas makes this project even faster, because the selvages make two perfect finished edges."

Start with 5/8 or 1 yard of dark-colored canvas, which usually comes 28 inches wide. Hem the two non-selvage ends.

For handles, use 3 yards of webbing, such as that used to finish a hooked rug, available at a fabric store. You can also use 3 yards of the 2½-inch-wide webbing available at carpet outlets. Seam the webbing so it becomes one continuous circle. Overcast and trim the short seam, using a conventional machine, or, to save time, a serger.

Position the webbing lengthwise along the carrier. Using a gluestick (pins cannot handle the fabric's weight), attach the webbing 3 inches from each selvage edge, the circle's loops forming handles. Topstitch the webbing securely to the canvas.

"Several logs that are uncomfortable and dirty to carry by hand can be lifted easily in this," Saunders says. "Sewing these gifts is fun. The new machines have become essential convenience appliances for working people. During this season, when the time and money crunch is even tighter than usual, sewing solves a lot of problems."

AMBUC STUDENT: The Woodward AMBUC Junior High School Student of the Week for the week of Nov. 29 is Justin Selman. He is an eighth grade student and the son of Corene and Tom Selman. Justin's other school activites are sports, rodeo and hunting. The AMBUC presenting the award is Gene Hakel.

Haitian Leader Invokes Voodoo; Decl

PORT-AU-PRINCE, Haiti (AP) — The army-backed president declared a state of emergency Sunday, invoking voodoo deities and Haiti's long battle for independence in hopes of uniting the country to withstand tougher economic sanctions and a possible invasion.

The videotaped message, broadcast before dawn on national television, brought denunciations from the United States and other backers of Haiti's exiled president, Jean-Bertrand Aristide, ousted in a 1991 coup.

It was unclear what measures would accompany the state of emergency. There was no sign of increased military patrols in the capital Sunday and streets were calm.

Emile Jonassaint, installed as provisional president by the military May 11 in a move internationally condemned as illegal, ordered the military to "prepare for every eventuality."

The 81-year-old former judge said Haiti "is faced by extreme danger — denigrated, ridiculed, humiliated, strangled. Haiti now risks invasion and occupation. It will be defended. . . . Haiti must not die."

He said the United Nations was persecuting Haiti because it did not have the atomic bomb, an allusion to North Korea. But, he added, "Haiti has protectors they don't know about," ending the speech by invoking the name of Agawou, the voodoo god of strength.

CALL THE EDITOR

Free Lunch Not Just for Welfare

Not all children receiving free lunches have parents on welfare. Some are just from low income families.

North Would Be an Improvement

To the caller who is concerned about Ollie North becoming president in 1996: North would be a big improvement over what we have now.

Elect Ollie and End Democracy

If we get a man in the White House like Oliver North, I will leave this country, because democracy as we now know it would be a thing of the past.

Some Weeds Do Need Mowing

If the city is so concerned about high weeds, why don't they force the East YWCA to mow down their rat-infested patch of weeds behind their ball field?

Focus Should Be on Crime, Drugs

Wouldn't it be wonderful if the mayor's office took as quick action on the drug and crime problems as they did on Mrs. Connors' wild flowers?

Thompson's on the Right Track

You just can't say enough good things about Dr. John Thompson. Where has this guy been all this time we've been saddled with school superintendents who stayed in the "ivory tower" and wouldn't even talk to people. This guy goes on and on. And the fact that he wants to have a school for drop-out problem students is a great idea.

Judge Mrs. Thompson on Merits

In regard to Mrs. Thompson withdrawing her application to Tulsa Schools: She has the qualifications and she should not be judged by a previous incident of another superintendent and wife. She should be judged on her own merit. The Tulsa school system should give her an opportunity.

Thank You for the Yanni Concert

Thank you to whomever was responsible for having Yanni in concert in Tulsa. His concert was superb.

Incensed Over Riverside Protest

I am irate, incensed that a group of people can stop progress and benefits for the total population by protesting solutions for traffic problems. This is a necessary route on Riverside for many of us to get downtown. Tulsa lost out on freeway money years ago because a mayor opposed it and Oklahoma City got the money. We have traffic problems in this city.

China Warns Sanctions In

BEIJING (AP) — China still believes sanctions against North Korea would not work, but promised Sunday to play a positive role in U.N. efforts to resolve the North Korean nuclear standoff, a Japanese official reported.

For a world that has been awaiting clues to whether China would block U.N. sanctions against its ally, Chinese Foreign Minister Qian Qichen's talks Sunday with his Japanese counterpart were inconclusive and unsatisfying.

A Japanese government official, who briefed reporters on condition his name not be used, said Qian did not say what China would do if a sanctions resolution came up for vote in the U.N.

She married (2) WILLIAM "BILL" LANGREHR 31 March 1939 in Great Bend, Barton, Kansas. He was born 31 December 1912 in Ellinwood, Commanche Twp., Barton Co., Kansas, and died 17 April 1998 in Piedmont, Canadian, Oklahoma[1].

Notes for CLEOTA MARY WALCHER:
This information sent by Cleota 17 May 1989.

5/22/2004 Talked with Cleota for a few minutes, a friend had come to take her somewhere. She had macular dengeneration of the eyes and does not drive anymore. Her son, Robert also lives in that area. Daughter Vivian Hickey lives at Eufaula and Phyllis Black lives in San Antonio.
Her daughter Barbara died with breast cancer in 1992. Barbara's family is very close to her and take care of her. A son of Barbara is very interested in history and would love to have information. I told her I want to keep in contact with someone in her family and complete the information about her family.

We talked about her father and grandfather living in Blackwell, both buried at IOOF Cemetery near the Jack's Bailey family, along the north fence.

He volunteers at the Piedmont Museum and belongs to the genealogical society in Piedmont.

Send her the information I need and she will fill it out and return it.

9-5-04 Talked with Cleota, she gave me names of the children, and some dates.

Cleota was named Mary after her father's sister. After she and Bill were married they lived in Great Bend, Kansas for 10 years, then moved to Bethany in 1950 to build houses with Ray Walcher and later to Piedmont.

Notes for WILLIAM "BILL" LANGREHR:
Parents were Will Langrehr and Hannah Dewerf.

Injuries Prove Fatal To Michael Walcher

Michael Walcher, 62, who resided at the Illinois National Guard Depot, died at 4:15 a.m. Wednesday at Memorial Hospital from injuries sustained when he was struck by a car in the 2600 block of South 6th street at 9:20 p.m. Tuesday.

WALCHER'S DEATH is the 11th traffic fatality for Sangamon County this year.

Coroner W. C. Telford, who will conduct an inquest, said Walcher sustained a fracture of the left leg, multiple head lacerations and severe shock.

Police said Walcher was struck by a car driven by Ronald A. Cooper, 37, of 3337 Cincinnati Ave.

Cooper told Police Officers Robert Moore and Patrick Meadows that he was driving north on 6th street at a speed of 25 to 30 miles an hour when the accident occurred. Walcher was attempting to cross the street he said.

AT THE HOSPITAL, Walcher told police he was standing still at the time of the accident. Cooper, however, said Walcher was walking, the officers said.

Authorities said Walcher was in charge of all National Guard buildings in Illinois.

Mr. Walcher had lived in Irving before moving to Springfield in 1942. He was a member of St. John's Lutheran Church, Irving, the Masonic Lodge, Irving, and was a veteran of World War I.

HE IS SURVIVED by his wife, Janeta; a son, Page, of Irving, his mother, Mrs. Elizabeth Walcher, Hillsboro, a brother, S. L. Walcher, Joplin, Mo.; and a sister, Mrs. Lawrence Truitt, Hillsboro.

Funeral services will be held at 2 p.m. Friday at the Bass Funeral Home, Hillsboro, the Rev. James Larsen officiating. Burial will be in St. John's Cemetery, Irving.

Gunshot Victim Satisfactory After Surgery

Thomas Angeles, 13, son of Mr. and Mrs. M. E. Angeles, 1817 Bertman Ave., who was accidently shot by a friend Tuesday was reported in satisfactory condition Wednesday at St. John's Hospital.

The youth underwent surgery Tuesday night and had the .38 caliber slug removed. The bullet entered his left arm, passed into his chest and lodged near his spinal column.

The youth was shot when he and his friend, Danny Darling, 13, son of Mr. and Mrs. Clyde Darling, 1821 Bertman Ave., were looking at a new revolver recently brought home by the Darling boy's father. Young Darling fired the gun once and the bullet struck young Angeles.

The Darling youth was treated for shock following the shooting.

PAGE WALCHER

I was born October 11, 1920 to Michael and Waneta (Lipe) Walcher. They named me Page Norman. We lived on the farm which my Great Grandparents bought from the Government back in early 19th Century. My wife and I still live on the same farm.

I attended a rural grade school, Oak Grove, and graduated from Witt High School in 1938. On completing high school, I started farming, which consisted of dairy cattle, hogs, sheep, horses, and poultry. After graduation I lived by myself until Nov. 2, 1941 when Kathryn Huber and I were married. After we married I worked at Hillsboro Glass Factory while farming. Kathryn helped with the dairy cows and poultry chores.

Our first baby (Donna Faye) was born August 26, 1942. Then on May 16, 1944 the twins, Dale and Don, were born. That same month I was drafted into the Army. I had 17 weeks of basic training at Camp Fannin, Texas. I was shipped over to Germany on January 3, 1945, assigned to the 11th Armored Infantry and went into the front lines at Bastogne. After the war was over in Germany, I was sent home to Camp Shelby, Miss. and discharged on October 15, 1945. I had earned three campaign stars and a Purple Heart with an Oak Leaf Cluster.

Kathryn and the kids lived in Witt while I was in the service. Our daughter Connie was born on May 15, 1946. We moved back to the farm. Our son Keith was born August 25, 1947.

We quit farming around 1955. I started to work in Springfield at Allis Chalmers until 1960 when factory work slowed down and I was laid off. I got a job with the State Highway Maintenance as an Equipment Operator for eight years. After that I went to work in Springfield, IL for the Illinois State Board of Education as a Storekeeper. I retired December 31, 1991 with 34 years and five months credit for State of Illinois work.

I might note here, that for many years while I worked in Springfield, Kathryn was spending her days doing house work and cooking for her brother Lawrence, while his wife, Marilou, was teaching school.

As of this writing we are both thankful that we have good health and are enjoying our retirement.

Barbara:

Thanks for the elderly picture information – I'll identify the photos accordingly!

I discovered two more bits of information/photos for you (enclosed) – hope they help in your progress.

I'm still sorting out who did what and when – some slimy bits from under rocks I'd rather not have found, but that's the chance one takes when one kicks over rocks.

I've returned the family photos to Cousin Patricia (she who keeps the shoe boxes), and I probably won't have any more to pass along until next I visit her (about 800 miles from here).

Cold weather here (-13 F yesterday morning), but that only encourages me to spend as much time inside (near the woodstove) as possible. Unfortunately, farm life requires "outside" time, regardless of weather (or whether you want to or not!).

Keep me posted.

Jim, hope today is a better day, if not don't delay, get to the doctor, we have lost a friend to the flu this year.
I requested copies of obituaries from the Douglas County Library System for Ivan, James Michael and Cecelia Alice McGinty and have received them, at a cost of 69 cents! That amount is unbelievable! When remitting the cost I am requesting D.G.'s obituary also. Question is, do you want copies of these obituaries? Will be happy to make Xerox copies and mail or email you the info, then if you wish to put info in your family history work--you can just copy and add it.
Now when you get to feeling better, I would like to know where James Michael and Cecelia fit into your family. After this weekend of mother's 90th birthday, I will work o n your information more diligently.
Please take care of yourself!

d.g. was, according to his children, grandchildren, and friends, a mean and amoral man. i'm glad my dad had no contact with d.g. until dad was in his 20's. i don' t think d.g. served time - he was a wanted man all his life. d.g. was born in medicine lodge, kansas on 20jan1881 - probably have a burial cemetary for him somewhere, but all that paperwork is behind several hundred pounds of other stuff. this was a photo album year. mary elsie walcher died 12nov1918 (according to the old photo i saw - still at cousin patricia's? - of her concrete memorial located on the family farm near arnett, okla (nearest big town = enid, okla). i think she was born in 1882 somewhere in illinois? she married d,g, on 17apr1903, she had a great smile, according to her pictures.

post-influenze, just ran out of poop - recliner calls me.

Jim, thanks so much for the info. I hope you are feeling better and get over what you have before it is time to start the spring farming!
If possible when you have time, I would love copies of the birth, death certificates, etc. You say he was BAD, does that mean he served time? Or just that he was not one to get along with? What is the name of the cemetery where D.G. is buried?
Take care, GET WELL!!!
Your OK cousin, barbara

Jim, hope today is a better day. If not, don't delay, get to the doctor. we have lost a friend in the ftv this year.
I requested copies of obituaries from the Douglas County Library System for Lynn, James Michael and Cecelia Alice McGinty and have received them, at a cost of no cents! That amount is unbelievable! When requesting the cost I am requesting D.G.'s obituary also. Question is, do you want copies of these obituaries? Will be happy to make Xerox copies and mail or email you the info, then if you wish to put info in your family history work--you can just copy and add it.
Now when you get to feeling better, I would like to know where James Michael and Cecelia fit into your family. After this weekend of mother's 90th birthday, I will work on your information more diligently.
Please take care of yourself!

Cecelia Alice McGinty

MCGINTY, Cecelia Alice — Age 92, of Myrtle Creek, Oregon, went to be with her Lord and Savior on January 6, 2006. Waiting for her with open arms, was her husband, sisters, brother, parents and grandparents. She was born on November 20, 1913, in Burke, South Dakota. She spent her early years on the family farm. Cecelia married James on November 24, 1938. During the war Cecelia lived in Los Angeles, California, with her sister-in-law, Fern and drove ambulance while Jim was in the Pacific. In the late 1940's, Cecelia and Jim moved to Oregon and eventually settled outside Canyonville, Oregon. She was a member of the Methodist Church in Myrtle Creek. Cecelia's greatest joy was her Sunday school kids. She always had a good word for everyone. Mrs. McGinty will always be remembered for her service to the community. Helping others was her life's work. Cecelia is survived by her sister, Lucille of Alaska; her daughter, Kathleen Espinosa and her husband, Garry of Canyonville; grandson, Garry Lee and his wife, Michelle; and her very special caregiver, Shirley Horlings. The family would like to give a special thanks to Debi and Alice at Douglas Home Care, Hospice and Dr. Sproed for all their kindness. Cecelia would not want us to be sad, but rejoice that she ascended to Heaven to take Christ's hand. Services will be held at Taylor's Family Chapel on Wednesday, January 11, 2006, at 2 p.m. Officiating will be Pastor Shirley Knight. In lieu of flowers, contributions may be made to the Douglas Food Bank.

yep - expecting minus zero temps tonight - about 8 inches of snow on the ground, with more due later in the week when we warm (?) back up into the 20's. all this snow explains our state motto, "the evergreen state" - those millions of trees drink a LOT of water year round. i'll watch for your information.

stay warm,

Dear Jim,

I am enclosing a sheet on the identification of the large Walcher picture. It is the family of Michael "Luther" Walcher as you knew. Each family member is identified.

The picture of the four women and two children was looked at by Cleota Walcher Langrehr and she will show it to her brother and her sister to see if they agree with her. However, they are getting up in age and Cleota has macular degeneration of her eyes, so we will see. I have penciled in who she thinks the people are. She thinks the two children may be from McGinty family or may be Nora's children. She thinks this might be a generation picture.

The third picture, no identification. Have sent it to a couple of cousins, but not reply as yet. Will let you know if and when get something.

Now I am asking you to do something for me….
I am enclosing what I have on your Walcher family…It isn't much, so please share with me the birth, death and marriage dates of this family and their children.

I know you are working on pictures also, but would like to have your information as up to date as possible. Perhaps you could make me a copy of your worksheets. Thinking this is not possible, I am enclosing sheets to be completed.

I have done census work as you will see on one of the enclosed sheets. I found Inis/Inez and Dwight/W. Dwight with Isaac/Ike and Ruth Martin in CA, but have not found Chester. Do you happen to know where his family would have been 1930?

Am sending a California Death index item that may be Ike? Do you know? I found Ruth there.

Guess that is it for now…looking forward to hearing from you with the information on your McGintys.

Jim, thought I would let you know how the picture identification is going--a couple of weeks ago we went to Oklahoma City for a family birthday and I called Cleota Langrehr in Piedmont and made arrangements to see her on Sunday afternoon before we left for home. Cleota is 87 and has macular degeneration of her eyes, but has a very large reader in her dining room. When I called her she thought maybe she had a copy of that picture of Michael Luther Walcher family with names and dates on it. When we got there she could not find it. When we arrived home she had called twice to tell me she found the envelope with the information in it. She says she will try to have a copy made and mail it to me...but that has not happened. Cleota is the daughter of Ray Luther Walcher, the last child of Michael Luther. She remembers well names but the seeing is the problem. While we were talking, I could not take notes fast enough! I am hoping that the next time I am in OKC we will have time to make an appointment with her and her 94 year old brother, who lives about 20 minles away.
So don't give up on me! The last two days I have spent working on the Michael Luther family--finding census for each family, marriage licenses, etc. Marriage licenses bring up an interesting fact. Several of this family were married in Day County, Indian Territory. It was a county until statehood in 1907 and was then split into other counties. Interesting info on the Ellis County Website about it.
http://www.usgennet.org/usa/ok/county/ellis/daymar.html
I am wondering if you would send me information on your McGinty family, beginning with your Grandparents D.G. and Mary Ellen McGinty and continuing through their children---Or is that what you are doing with the project you are working on?
I keep hoping someday to get the information completed on the John Michael Walcher line, he left NC and went to Montgomery County, IL and I am attempting to put census, etc with each branch of his children and grandchildren, so this Michael Luther info will be a great help. Today is cloudy and overcast, your kind of weather, but not for us here in OK, We like the sunshine, even though we do need the rain. It is 55 degrees but feels much colder and its time for me to decide what we will have for dinner this eve.
Sooooo, let me hear from you and how the project is going.

Jim, I received the pictures yesterday (12 October- two days after you mailed them!) and they are wonderful! And needless to say, I would love to have a copy of your photo album you are sending to your siblings!
I am disappointed as I know you are, that the picture of the Michael Luther Walcher and Mary Adaline Weeden Walcher did not resurface. The copy you sent to me was made on a xerox copier and would love to have one like the ones you send this week. If the picture does resurface when you return the pictures to Patricia, please make a copy and send me one. I do not know if you made copies at a WalMart or Walgreens or scanned them yourself, but they are great!
NOW I will be going to Oklahoma City this coming weekend (21st) and hope to see with another descendant of the Michael Luther family. She is a child of the last child Ray Luther Walcher and lives near Oklahoma City. I know she has eye problems, but hope I can show her the pictures, she is 87 years old. Will let you know the outcome of the visit, if it is at all possible. I will call her today.
LATER I am hoping you will also send me information on your family. I would like to have that informtion in my database, that is if you would share it with me.(?) Also who does Cousin Patricia descend from?
So here is what I am asking for:
1. Information on your own family (James "Jim" McGinty and ??? and children) names, date and places
2. Information on your father and mother's family (Dwight and your mother) names, dates and places
3. Information on your grandfather's family (John McGinty and Mary Ellen or Elise Walcher) names, dates and places
4. Information on your Great Grandfather's family (Deruscious Gillillian McGinty. I have found Deruscious in the 1900 OK census as a farm laborer, age 21, born June 1879.) names, dates and places

Now what else do I need to share with you? I know I sent you some items, and will be happy to share more with you. Just ask!
As always I look forward to hearing from you.

Dear Barbara:

Enclosed are the Walcher pictures I found in cousin Patricia's assorted shoeboxes:

All pics scanned into Walcher

The photo of the single male reads "Homer Walcher" on the back. Uncle Homer was Mary's brother and helped raise my Uncle Dwight after the death of Mary in 1918. I think…

The photo of the four women and two kids reads "Nora Walcher" and "Mary Elsie Walcher" on the back. Aunt Nora also helped raise my kin.

The more modern black and white group picture reads "Walcher family" and "Cleo" on the back.

The older group picture is mounted on cardboard and reads "Mary Walcher" on the back of the cardboard.

None of the pictures are dated; the eyes give Mary and her female relatives away – cousin Mary has a large framed picture of Mary (might have been her husband's? – Deruscious Gillillian McGinty – my great-grandfather) which distinctly shows her smile, and piercing, humor-filled eyes – I believe I would have liked her.

Hope these pictures help – I'll return the originals to cousin Patricia some time this Winter after I finish making my copies; by-the-by, Patricia's sister is named Mary to honor her/my great-grandmother.

Cousin Jim.

Dear Barbara:

Enclosed are the Walker photos I found in Aunt Verna's assorted albums.

The photo of the single mean reads "Hans Walker" on the back. Uncle Hans was Mary's brother and helped raise my Uncle Doug after the death of Mary in 1914. I think...

The photo of the four women and two kids reads "Nina Walker" and "Mary Elise Walker" on the back. Aunt Vera also helped raise my Ma.

The more modern black and white group photo reads "Walker family" and "Clare" on the back.

The older group photo is mounted on cardboard and reads "Mary Walker" on the back of the cardboard.

None of the photos are dated, the ones given Mary and her Nina are relatives away – could Mary be a large, blond-haired version of Mary Bright Bay? Is so, be behaviorally – Deputation, cultivator-hoe, tidy – my great-grandmother) which (Nina) shows her smile, and posture, humanitarian style – I believe I would have liked her.

Hope these photos help – I'll return the originals to Joanne Bunker as she done this. Where else I can assist creating my copies by-de-by, Barbara, Mary is named Mary to honor her my great-grandmother.

Cheers Ian.

Dear Barbara:

I've enclosed some copies of the Walcher photos from Cousin Patricia's shoebox (inherited from our Aunt Irma). Do they make sense to you? Great grandmother Mary (Walcher) McGinty was my father's father's mother, and the Walcher side of the family (Homer, Nora, and others) helped raise my grandfather, uncles, and aunts when Mary died during the Spanish influenza pandemic in 1918 on the family farm near the Texahoma border.

I'm not quite finished with the family photo album yet – I have yet to list the "actors" and show a family tree/bush. We have several "issues" with who begat who (as so many of the upper crust families do…) and when and was there a marriage certificate?

Let me know on the Walcher photos.

PATRICIA

i found your e-letter/information on my family's walcher connection. as i said (back in may 2001?), mary (walcher) mcginty was my great-grandmother. after mary's death in 1918, mary's sister ruth raised mary's children on and off for decades, while "aunt nora" (another walcher sister/cousin?) helped in later years. my cousin (she who keeps her aunt's shoebox of ancient photos) has an original photo of a "walcher family reunion"; i have a bad copy, but the photo legend says "picture taken in irving, illinois 1899 and shows/labels these walchers: elmer 1880 #4, nora (our nora?) 1879 #3, albert 1875 #1, kenny 1877 #2, mary (my great- grandmother) 1883 #5, elizabeth adaline (weden? sp?) walcher, roy l. 1892 #10, ruth (our ruth?) 1888 #8, zenus (sp?) leroy (slick - i have 1920's pictures of slick - he must have hung out with my great-grandfather d.g. mcginty?) 1885 #6, homer 1890 #9, michael luther walcher 1853. there is a note at the bottom: ida #7 is mising - died of typhoid fever age 12 between ruth and slick. looks like a family photo with parents and children?

anyway, another genealogy e-mail correspondent shows the following marriage information for my great-grandfather and mary walcher: day co. marriages pg 163, mcginty, derncians g. 23 ks parents: mcginty, robert & josie schapper. walcher, mary 23 il. 18 apr 1904 parents: walcher, m.l. & elizabeth weaden. mcginty, mary e. died 11-12-18 buried debolt cemetary, arnett, ellis co., ok.

Who was this email correspondent?

maybe some of this will help?

onward.

A week has passed and I must get back to you...

What I am hoping you will share with me is information on your family. Starting with your grandparents, John (?) McGinty and Mary Ellen Walcher and the generations down to your family.

In 2000 two other cousins and I finally put together a book on our Walcher family that went to Sumner County, KS about 1875. It is about the John Henry Walcher and Elizabeth Lucretia Welker descendants. We had collected information, pictures and stories for several years that we shared at the annual Walcher Reunion held in Wellington or South Haven KS each year and decided to put the information into a book for all the cousins.

The first Walcher Reunion was in 1931 in Enid, OK and has been held almost every year since. It began with Walcher cousins who lived in the OK and KS area whose parents had migrated from Montgomery County, IL. After a period of time and with families moving farther away from the area, the reunion became a gathering of mainly our John Henry/Lucretia descendants, although we have other Walcher family descendants attending from time to time.

One descendant is Wendell Walcher of Colorado, his grandfather and my grandfather were two of the organizers of the first reunion in Enid. Wendell and I have corresponded for several years working on the earlier generations of the Walcher family who migrated from North Carolina to Illinois. After we published our John Henry Walcher book, Wendell encourage me to begin to document the previous generation, John Michael Walcher and Leah Schmidt/Smith generation. I am progressing slowly taking each family, adding census for as many years as I can find, and attempting to find a living descendant for each family--in the hopes of getting obituaries and stories. Now you can see why I am hoping you will share your family information.

Working on the Michael Simeon Walcher descendants, father of Mary Ellen Walcher McGinty-- mainly know they married (do not have when or where) and the children names, Erma, Chester, Ivan, Inas, Dwight and last child with no name.

I have found them in the 1910 OK, Ellis Co., Grand Twp census , husband's name is illegible, Mary, Erma, Chester and Ivan. Homer Walcher, brother of Mary Ellen is living with them. Someone gave me the father's name as John????

In the 1920 AZ, Yavapai Co., Prescott Twp census, B.G (?) McGinty, Emma (new wife), Chester, and Ivan are living with Homer and Ethel Walcher family, Mary Ellen's brother. Have not found them in the 1930 perhaps you can tell me where they were living?

If I know the dates and places, then obituaries can possibly be found or you may have some?

Any additional information on the other children in this family will be greatly appreciated.

I will be happy snail mail what information I have on the other children of Michael Luther and Betty Weeden. Also hoping you can help me with additional information on those family, too.

I think now you can see where I am going with this research, so I hope during this cold, cold, winter you might share info with me. Copies of what you have will be wonderful.

Mary Ellen's parents, Michael "Luther" and Betty Weeden are buried in Blackwell, OK, where I was born and grew up. When I began working on the early generations, I found them. I have corresponded with one descendant of the family, Cleota is a in her 80's and the youngest child of Luther "Ray" Walcher, brother of Mary Ellen. She lives is Oklahoma City and I am planning to visit her this spring.

Think I have gone on long enough, I look forward to hearing from you and would love to have copies of those pictures!

A week has passed and I must get back to you...

What I am trying you will share with me is information on your family. Starting with your grandparents, John (?) McGinty and Mary Ellen Walder and the generations down to your family.

In 2000 two other cousins and I finally put together a book on our Walder family that went to Sumner County, KS about 1872. It is about the John Henry Walder and Elizabeth Lucretia Walder descendants. We had collected information, pictures and stories for several years that we shared at the annual Walder Reunion held in Wellington or South Haven KS each year and decided to put the information into a book for all the cousins.

The first Walder Reunion was in 1993 in Enid, OK and has been held almost every year since. It began with Walder cousins who lived in the OK and KS area whose parents had migrated from Montgomery County, IL. After a period of time and with families moving further away from the area, the reunion became a gathering of family our John Henry Lucretia descendants, although we have other Walder family descendants attending from time to time.

One descendant is Wendell Walder of Colorado, his grandfather and my grandfather were two of the organizers of the first reunion in Enid. Wendell and I have corresponded for several years working on the earlier generations of the Walder family who migrated from North Carolina to Illinois. After we published our John Henry Walder book, Wendell encourage me to begin to document the previous generation, John McNeal Walder and Leah Schmidt Smith generation. I am progressing slowly tracing each family, adding cousins for as many years as I can find, and attempting to find a living descendant in each family—in the hopes of getting obituaries and stories. Now you can see why I am hoping you will share your family information.

Working on the Michael Sumner Walder descendants, father of Mary Ellen Walder McGinty—mainly know they married late and have taken a strong and the children names, Lynn, Cleone, Ivan, Ina, Dwight and Ian child with no dates.

I have found some in the 1910 OK, Ellis Co., Grand Twp census, husband's name is Dwight, Mary, Lynn, Cleone and Ivan. Flower, mother, brother of Mary Ellen is living with them. Someone gave me the father's name as John (?)

In the 1920 AZ, Yavapai Co., Prescott Twp census, H G (?) McGinty, Lynn (now wife), Cleone, and Ivan are living with Flower and Ethel Walder family. Mary Ellen's father. Have not found them in the 1930 census you can tell me where they were living?

If I know the dates and places, then obituaries can possibly be found or you may have some?

Any additional information on the other children in this family will be greatly appreciated.

I will be happy and most when information I have on the other children of Michael Lutter and Mary Walder. Also hoping you can help me with additional information on these family, too.

I think now you can see where I am going with this research, so I hope during this cold, cold, winter you might share info with me. Copies of what you have will be wonderful.

Mary Ellen's parents, Michael "Lutter" and Mary Walder are buried in Blackwell, OK, where I was born and grew up. When I began working on the early generations, I found them. I have corresponded with one descendant of the family, Cleone is a lady 80's and the youngest child of Lutter "Ray" Walder, brother of Mary Ellen. She lives in Oklahoma City and I am planning to visit her this spring.

Think I have gone on long enough, I look forward to hearing from you and would love to have copies of those pictures!

Dear Jim,

A week has passed and I must get back to you…

What I am hoping you will share with me is information on your family. Starting with your grandparents, John (?) McGinty and Mary Ellen Walcher and the generations down to your family.

In 2000 two other cousins and I finally put together a book on our Walcher family that went to Sumner County, KS about 1875. It is about the John Henry Walcher and Elizabeth Lucretia Welker descendants. We had collected information, pictures and stories for several years that we shared at the annual Walcher Reunion held in Wellington or South Haven KS each year and decided to put the information into a book for all the cousins.

The first Walcher Reunion was in 1931 in Enid, OK and has been held almost every year since. It began with Walcher cousins who lived in the OK and KS area whose parents had migrated from Montgomery County, IL. After a period of time and with families moving farther away from the area, the reunion became a gathering of mainly our John Henry/Lucretia descendants, although we have other Walcher family descendants attending from time to time.

One descendant is Wendell Walcher of Colorado, his grandfather and my grandfather were two of the organizers of the first reunion in Enid. Now you can see why I am hoping you will share your family information.

Working on the Michael Simeon Walcher descendants, father of Mary Ellen Walcher McGinty--mainly know they married (do not have when or where) and the children names, Erma, Chester, Ivan, Inas, Dwight and last child with no name.

I have found them in the 1910 OK, Ellis Co., Grand Twp census , husband's name is illegible, Mary, Erma, Chester and Ivan. Homer Walcher, brother of Mary Ellen is living with them. Someone gave me the father's name as John????

In the 1920 AZ, Yavapai Co., Prescott Twp census, B.G (?) McGinty, Emma (new wife), Chester, and Ivan are living with Homer and Ethel Walcher family, Mary Ellen's brother. Have not found them in the 1930 perhaps you can tell me where they were living?

If I know the dates and places, then obituaries can possibly be found or you may have some? Any additional information on the other children in this family will be greatly appreciated.

I will be happy snail mail what information I have on the other children of Michael Luther and Betty Weeden. Also hoping you can help me with additional information on those family, too.

Jim, I am so glad to hear from you! Congratulations on completing your degree- what was your major?
Winter here is a bit different--although we have had wind and sleet this week and still some on the ground, today's predictions are to be in the 50's, we ride a roller coaster of temperatures during the winter, unless we have a good snow and weather stays the same for a week or so.
I have several questions for you and will get my info out in the next few days and get back to you. We will out of town today.
I am hoping you will share a copy of your family picture with me and complete your branch of the family with vital information, obituaries, etc. I have several cousins in your branch that would love to see what you have also.
I have been hoping that we can put up a Walcher research website where all of us can correspond and see what we have to share. It may be spring or summer before that happens.
Must get going and get us on the road today. More soon. Again thanks for replying!

our local postmaster "un-officially" gave me your letter of 06Dec04. i stopped my family history search about four years ago so i could concentrate on my studies (i went back to finish my degree at washington state university - graduate of 2003!). now i have some more time before gardening/farming activities resume (winter here means 6 degrees f, 25 mph winds, light snow with 6 inches of snow on the ground- current conditions), and i have some new sources: i discovered a "nest" of mcginty's in middle-california, all directly related to me! the patriarch of the family is my late dad's only remaining brother, and there are a bunch of folks who look a lot like me. one of the family treasures is a box of very old photographs (some are sepia on card stock, they're so old) showing mcginty (and walcher) people. i made copies of an old sepia photo for my sibling's Christmas present last year: the picture shows the mcgintys on their texa-homa border ranch about 1917. mary walcher and her brother (i can't remember his name right now, and the labeled group picture graces my office wall) are standing there with an old touring car and long horn steer in the background. how cool is that?!

i've been thinking i want to wade into the mcginty black sheep history again (lots of paternity questions - i had no idea what a big rock i was upending - the oldest of the newest mcginty contacts all just nodded their heads and said they were hoping someone (me) would show up so the oldest generation could apologize...

Jim, thanks for replying! I saw your note on the Ellis County Queries on the Ellis County Genealogical Society message board. I replied back in April, but received no answer, so thought I would try again. The email address is a bit different that what is shown on the message board.

Yes, you are a cousin, as I knew you were when I saw your message. I have a Walcher database and am working on the Walcher Family History. We have the line back to North Carolina in 1700's. You will find part of it on the Family Tree Maker website at:

http://familytreemaker.genealogy.com/users/w/a/l/Jim--H-Walcher/index.html

scan down the page and look at Genealogy Report for Adam Walcher.

Right now, I cannot tell you if some of your information is listed in the database. You will find when you read the information, that database is kept by another Walcher who was looking for his Walcher roots and began collecting information to help. I have been researching the Walcher family for a number of years, especially the group that went from North Carolina to Illinois to Sumner County, Kansas and down into Oklahoma. My family is from Blackwell.

Your family has several people who are researching the Michael "Luther" Walcher and Elizabeth "Betty" Adaline Weden line and I will happy to give you their names and email addresses. I also will be happy to send you information about the family either by email, attachments or by US Postal Service, depending upon your computer expertise. What I ask of you is to help me with a copy of your line starting with Mary and her husband, John. At least John was given to me and may not be correct. Also would like to have names of any others who are also researching your line.

I look forward to hearing from you, isn't this Internet a wonderful help!

Hey, thanks for replying! I saw your note on the Fulton County Genealog on the Ellis County Genealogical Society message board. I received back in April, but received no answer, so thought I would try again. The email address is a bit different than what is shown on the message board.

Yes, you are a cousin, as I knew you were when I saw your message. I have a Walcher ancestor and am working on the Walcher family history. We have the line back to North Carolina in 1780's. You will find part of it on the family tree Mayer website at:

http://familytreemaker.genealogy.com/users/w/a/l/j/m--H-Walcher/index.html

Scan down the page and look at Genealogy Report for Adam Walcher.

Right now, I cannot tell you if some of your information is listed in the database. You will find when you read the instructions that database is kept by another Walcher who was looking for his Walcher roots and being willing information to share. I have been researching the Walcher family for a number of years, especially the group that went from North Carolina to Illinois to Sumner County, Kansas and down into Oklahoma. My family is from Blackwell.

Your family has several people who are researching the Michael Walcher and Elizabeth "Betty" Adelina Meden line and I will happy to give you their names and email addresses. I also will be happy to send you information about the family either by email, attachments or by US Postal Service, depending upon your computer expertise. What I get of you is to help me with a copy of your line starting with Mary and her husband, John. At least you are given to me and may not be correct. Also would like to have names of any others who are also researching your line.

I look forward to hearing from you. Isn't this Internet a wonderful help!

Your Walcher cousin,

Jerry, thanks for the reply and info. Sounds like a great project! Will be interested in how it is progressing. I found your info on either Ancestry or RootsWeb and updated some of my information from your informative sources listed on Ancestry. You are welcome to post any of my information on your website, as it is all documented.
You asked for a couple of items:
Mary Ellen Walcher was born April 1883 in Irving, Montgomery County, IL and died 12 November 1918 in the Spanish Flu Epidemic at Arnett, Ellis County, OK. She is buried in the Arnett/DeBolt Cemetery. Her parents were Michael "Luther" Walcher born 10 November 1853 in Montgomery County, IL and died 25 July 1927 in Blackwell, Kay County, OK. Wife, Elizabeth "Betty" Adaline Weeden born 28 Sep 1857 in KS (have not done research on her line), died 7 Dec 1926, buried in Blackwell also. I decorate their graves each Memorial Day along with all my Walcher families.
James "Jim" McGinty is a great-grandchild of one of D.G. son's. He talks about Uncle Dwight, so not a son of Dwight. He left a message on the Ellis County, OK website several years ago and after a lot of detective work, I finally found him. We correspond by email (j.p.mcgintyelk2@att.net) Address: E.12925 Oregon Road, Elk, WA 99009, Tele 509-292-0326.
I have asked numerous times for his family info, but have not gotten that as yet. He did sent some wonderful pictures of the family and says he is working on an Album, my first note about that came in early 2006. Perhaps you can get him to shake loose with his information! The two obituaries for D.G. and Ivan, I have typed and will email separately. There are several that I still want to add, but have been thinking that perhaps Jim will have them. He stated he has D.G.'s birth and death certificates, but has not shared as yet. I thought that was coming in the Album????
Although Jim is a cousin through my Walcher line, I do not plan to research this family in detail. So I will happily encourage you and Jim to correspond and be very interested in the end result! Please keep me in the loop!

Barbara,

I am Gerald "Jerry" McGinty. I descend from the first McGinty family to come to America before 1750. My family first came to PA from Ireland, and then down to NC, GA and moved west from there. I am also researching "Billy" McGinty, the Rough Rider. That's how I got into Derucious. Their father, Robert Dunkard McGinty, was married twice and they have different mothers. I have not yet tied your McGinty line to mine, but there is a strong possibility that a tie exists.

I am posting some of my research on ancesrty.com. May I post your new information on my site? Are you a member of Ancestry?

My address is, 9116 Canberley Dr., Tampa, FL 33647.

Robert Sellars and Janet Robayna

I am writing because you were both listed in the obituary of Ada Leen Sellars Walcher as her children and she was married to Elmer Leroy Walcher.

I am related to Elmer Leroy and am researching the descendants of our grandfather John Michael Walcher and Leah Smith family. Elmer and I both descend from this family. Enclosed is a chart showing how Elmer is related to John Michael. I will share additional information later.

Recently I found that Elmer was married to Ada Leen and that she passed away in November last year. I am sorry for your loss.

I wrote the funeral home and requested addresses for Ada's children. They sent me her obituary, but I was advised that it was their company policy not to disclose family addresses, but they would forward letters to the survivors, that is the reason I am writing.

I know Elmer was married not only to Ada, but also to Lois (last name unknown) and Viola Authurs Chrisman. I do not know who the children are with each wife. In Elmer's obituary, there was one Walcher child listed and in Ada's obituary there is also a Walcher child. I am hoping you will help me to with this information, so I may share my additional information with your family.

Some of the other items I would like to add to Elmer's family information are:

1. Where and when Ada and Elmer were married
2. A picture of Elmer with his family and/or different times in his life
3. Know Elmer served in the Army, where did he serve?
4. What work did he do for the State of Florida?
5. Did he have health issues (died of heart attack or of cancer)?

Ada's obituary indicates she was a very busy lady with her own business—how I would have like to have visited with her! Know she must have had something always going on in her life! What kind of Grandmother was she?

I am hoping to eventually write a book about John and Leah's family; however, when it is published, it will be available only to those who have shared information with me. This information will not be distributed on the Internet.

I sincerely hope you will respond as I very much look forward to hearing about Elmer and Ada. I have enclosed self-addressed envelopes for your convenience or feel free to contact me by phone or email.

Most sincerely,
Sent to Michael while Garden of Memories

Dear Mr. White,

In the last few days, my friend has attempted to get an obituary for my cousin, Ada. L. Walcher who died 22 November 2006 and your funeral home handled the arrangements.

My friend attempted to access the obituary from the newspaper without success, and suggested that I write you and request a copy of the obituary.

If that is possible, I am enclosing a self-addressed stamped envelope for a copy of the obituary.

Would it be possible for you to also give me the address of the next of kin who was responsible for paying for the funeral?

We have lost contact with the family over the years and would like to send condolences to them.

I look forward to hearing from you.

Most sincerely,

Mary, thanks so much for "going the extra mile" for this info. I will send the Funeral Home Mgr a note and a SASE for the obit, I very much appreciate what you have done to help me get the obit and the address of perhaps her son.

I am copying to you what the Funeral Home response was. I did try going to the Tampa Tribune Obits but when I put dates of 22 Nov - 30 Nov (because her funeral was 29th) and all they show are the first two for any given period and will not allow you to 'go to next page'. The manager did say you can contact him if necessary, so you will probably want to do that. I am sure it should not be a problem for him being as MOST funeral homes keep copies of the obit.

Good Luck and if he does not help, let me know and I will go to the newspaper office.

Mary

Mrs. Smith,

If an obituary was in fact placed in the Tampa Tribune you should be able to retrieve it by looking in TBO.com. Click the link for obituaries and enter the date in question. You may have to enter several dates before you find Mrs. Walcher's obituary.
If this does not help feel free to contacty me at the number below

Barbara,

Unfortunately, the Tampa Tribune has not put her obit into the library files because it is so new and would have to go to newsroom to obtain, but I did contact the funeral home that handled, Garden of Memories, and requested a copy from them. I did however find an obit for her Aunt which I will include and do know the Barbara Sapp named in the obit would be a good start as for contacting a living survivor. Also found where Adaleen/Ada L Walcher was living 1228 Music Tree Place, Dover, FL and found a Gregory S Walcher living 1212 Music Tree Place, so another good lead if you are interested. As soon as the Funeral Home gets back to me, will email what they send to me.

Hope this is a little help until later.

Mary, thanks so much for "going the extra mile" for this info. I will send the Funeral Home Mgr a note and a SASE for the obit. I very much appreciate what you have done to help me get the obit and the address of perhaps her son.

I am copying to you what the Funeral Home response was. I did try going to the Tampa Tribune Obits but when I put dates of 22 Nov - 30 Nov (because her funeral was 29th) and all they show are the first two for any given period and will not allow you to 'go to next page'. The manager did say you can contact him if necessary, so you will probably want to do that. I am sure it should not be a problem for him being as MOST funeral homes keep copies of the obit.

Good Luck and if he does not help, let me know and I will go to the newspaper office.

Mary

Mrs. Smith,

If an obituary was in fact placed in the Tampa Tribune you should be able to retrieve it by looking in TBO.com. Click the link for obituaries and enter the date in question. You may have to enter several dates before you find Mrs. Walcher's obituary.
If this does not help feel free to contact my at the number below

father's farm. His education was acquired in the common schools, and he afterward engaged in teaching in Virginia. Later, he engaged in merchandising in Indiana for four years, and in 1846 embarked in farming in Lawrence County, Ind., where he spent ten years. The year 1856 witnessed his arrival in Bond County, where he located near Elm Point, LaGrange Township, and purchased, on July 4, one hundred and ten acres of land, which he developed and improved. He extended the boundaries of his farm until it comprised over four hundred acres, and made his home there until 1875, when he sold out and purchased three hundred and forty acres elsewhere, devoting his energies to the cultivation of the latter tract until 1881, in which year he came to Greenville. He here purchased four lots and three acres of land adjoining, and now has a fine home with beautiful surroundings.

In 1846, Mr. Thompson wedded Miss Elvira Hoopingarner, of Lawrence County, Ind., and unto them were born six children: Thomas B., the eldest, married Jennie Sharp, and has three children, William, George and Cecil; Mary J. is the wife of Thomas Foster, by whom she has eleven children: Thomas, Joseph E., Annie, William, Estella, Ellen, Renna, Bevey, Blaine, Frank and Pearl; John M. married Miss Nancy Walker, and they have four children: Arthur, Pearl, Grace and John; Joseph P. is the next youngest; George F. married Rosa Williams, and has one son, Harold B.; and Moses E. married Isephine Watts, and they have two sons, Joseph T. and Dwight M. The children all reside in this county. The death of the mother occurred in 1865. She was a member of the Methodist Episcopal Church. Mr. Thompson was again married, in 1866, his second union being with Mrs. Permelia Henderson, of Orange County, Ind. Four children grace this marriage: Maggie, wife of Shelton Jett, of Kansas; Ida, wife of Henry M. Blizzard; Harry M. and Elva M. at home.

Mr. Thompson exercises his right of franchise in support of the Republican party. He served as Justice of the Peace for eight years, as City Alderman of Greenville, and has been honored with other offices. Industry and enterprise are numbered among his chief characteristics, and by his upright dealing and good business ability he has won the prosperity which has justly crowned his efforts.

WILEY LIPE. The subject of the following sketch can certainly look back upon a busy life and feel that his labors have not been in vain. When success crowns any victor in a struggle, reward is his due, and Mr. Lipe receives his reward in the peace and plenty which surround his declining years, and the rest he can now take after the hard fight against disadvantageous circumstances and poverty.

The grandparents of our subject were of German extraction on both sides. The father bore the name of John Lipe, and the mother was Rachel Blackwelder. They were married in North Carolina, and when Wiley was ten years of age, came to Illinois and settled near Hillsboro, where they rented land and remained two years. They then entered Government land three-fourths of a mile south in Irving Township, and there they resided until the time of their death. Mr. Lipe was an old-line Whig until the formation of the Republican party, with which he was afterward identified. He held no offices, as in those days men had opinions without being paid for them. His religion was that of the Lutheran church. Some thirty years have passed since his death, which occurred when he was about sixty-six. The mother of our subject lived to be about eighty years old, her death having occurred about seven years since.

The family consisted of sixteen children, but seven died before they attained maturity. Those who lived were given the following names: Barbara, Nelson, Allen, Noah, Delilah, Wiley, Elizabeth John and Martin. Barbara married Michael Hefly, of Irving Township, who died about forty years ago and left a large family; afterward she married Michael Walcher and became the mother of two children who still live on the same place. Nelson,

formerly a resident of Irving Township, married Nancy Hoffner, and died leaving a large family. Allen married Leah Neusman and both are now deceased. Noah married Elizabeth Weller, and both he and his wife have passed away. Delilah first married Tillman Hefly, and after his death she became the wife of Michael Walcher. Elizabeth, now residing in Irving Township, is the widow of Milton Nusler, who died about fifteen years ago. John first married Louisa Lingle, four children now surviving of that union, and after her death he married Catherine Reinhart. His death occurred in 1888. Martin married Sophia Bone, and both have passed away, but their children still live.

Wiley Lipe was born in Cabarrus County, N. C., and was reared there until his tenth year. He was then brought to Illinois, but he found no opportunities for gaining an education in the locality where his parents settled. The school of stern, hard necessity was the only one in which he was educated. All of the knowledge he possesses he picked up as best he could, and if his intelligence has made him more learned than many who have had better advantages, he deserves that much more credit. He remained at home until he was of age and then started out for himself. He took up forty acres of Government land, which he cleared and fenced, and added more land as his means permitted. As the result of his arduous work, he now owns one thousand acres of fertile prairie, meadow and timber land, which are his by the divine right of labor. He is an example to others, showing where there is the will there will be the way.

In the fall of 1845, Mr. Lipe married Harriet Newell Granthain, a daughter of Thomas and Elizabeth (Christie) Granthain, but she died nine months after marriage. His second wife was Maria Lingle, a native of North Carolina, and the daughter of John J. and Sarah (Blackwelder) Lingle. Her life ended May 18, 1889. The record of her children is as follows: John, a carpenter residing at Pana, married Alice Bulkam, and they have two children. Joseph married Sarah Draper and they are the parents of two children. Harriet Newell married John Weller and has six children. Sarah Clarinda married Mark Miller, of Auburn, Ill., and they have two children. William Marshall lives in this township. His marriage to Belle Page has brought him eight children. Clark is unmarried and makes his home in Irving Township. Dorcas married Hade Wyman, and they, with their two children, reside near Auburn. Minerva became the wife of Thomas Miller and lives in Missouri, her marriage being blessed by the birth of three children. Frank never married, but died at home when twenty-three years of age. Alvin married Ora Draper and they reside on an adjoining farm. Wiley Adelbert died at home at the age of sixteen. Five children died in infancy and youth.

Mr. Lipe married for his third wife Mrs. Louisa (Hilt) Farniss, the widow of Robert Farniss. Four children of her first marriage survive: Charles, Katie, Philip and Robert, all at home. Like his father, Mr. Lipe has been a Republican and he has never desired office. He is well known throughout the neighborhood and indeed enjoys an extensive acquaintance in this part of the State. He is a consistent member of the Methodist Church, and is much respected in the community where his life has been passed.

BAXTER HAYNES, M. D. This gentleman is a pioneer physician of Montgomery County, and resides on section 20, township 7, range 2, Fillmore Township. He located here in 1874, when few indications of the present prosperity were apparent, and has since been closely identified with the growth and development of the county. By his skill and success in his chosen work, he has won an excellent reputation as a physician, and the good-will of the citizens. He was originally from Barren County, Ky., born December 20, 1827, the eleventh child and seventh son of twelve children born to Rev. William and Anna (Henley) Haynes, natives, respectively, of North and South Carolina. The paternal grandfather, John Haynes, was a native of England, but his wife, Mary Stice, was born in

2.1 LIPE, issue of John Godfrey and Rachel (Blackwelder) Lipe:

3.1 Barbara LIPE, first-born child of John Godfrey and Rachel, was born on 22 April 1811 in Cabarrus Co., North Carolina. Barbara died at the age of 61 in Montgomery Co., Illinois, on 25 Aug 1872. Her place of burial is unknown; it was probably at Bost Hill cemetery, St. John's cemetery, or Irving cemetery.

On 10 Feb 1830, Barbara married her first husband, Michael Hefley, in Cabarrus County. Michael Hefley was a son of Adam Hefley and Mary Magdalene (Ridenhour) Hefley. Adam Hefley was born on 8 Nov 1774 and Mary Magdalene was born on 11 Sept 1779. Their son, Michael, was born on 31 Oct 1807 in Cabarrus Co. Michael died at the age of 44 (5 days before his 45th birthday) in Montgomery Co.

Barbara, Michael, and their infant daughter, Margaret, journeyed from North Carolina to Illinois by wagon in 1831 in company with Barbara's parents and siblings.

In 1852, Barbara gave birth to a son who lived only 8 days. Three months later, in October, her 7-year old daughter, Gineza Catherine, died. Ten days after her daughter's death, Michael Hefley, her husband, died. Thus, Barbara buried three members of her family within a four-month period. Upon Michael's death, Barbara was left a widow with nine children, their ages ranging from 2 years of age to 21 years.

Three months after Michael's death, Barbara married her second husband, Michael Simeon Walcher, on 8 Feb 1853. Michael Walcher was 18 years younger than Barbara, his birth occurring on 24 Nov 1829. At the time of their marriage, he was 23 and she was 42. Michael Simeon Walcher was a son of John Michael Walcher (born 28 March 1795, died 8 Sept 1850) and Leah (Smith) Walcher (born 1 Feb 1798, died 1 May 1869). The Walchers originally came from The Netherlands (Holland).

After Barbara's death in 1872, Michael Simeon Walcher married his sister-in-law, Delilah Eliza (Lipe) Hefley, the widow of Tillman Hefley, brother of Michael Hefley, Barbara's first husband.

Barbara (Lipe) Hefley Walcher was the mother of 13 children. They were: 1st MARRIAGE TO MICHAEL HEFLEY

i. Margaret (1831-1911), mar John Rebman, Hilliard Carriker

4.10 Rhoda Curry, 10th child of Michael and Barbara (Lipe) Hefley, was born on 20 April 1850. She died at the age of 15 on 4 Oct 1865 with burial at St. John's cemetery.

4.11 Infant son, born 16 July 1852 and died on 24 July 1852 at the age of 8 days. This infant died three months before his father, Michael Hefley, died.

3.1 WALCHER (2nd marriage), issue of Michael Simeon and Barbara (Lipe) Hefley Walcher: (Continued)

4.12 Michael Luther WALCHER, born on 10 Nov 1853 and died on 25 July 1927 with burial near Blackwell, Oklahoma. He was known as Luther Walcher. His wife was buried next to him in Oklahoma.

Luther married Elizabeth (Betty) A. Weeden. Betty was born on 20 Sept 1857, a daughter of John H. and Ruth C. (Wilson) Weeden. Ruth C. Wilson was a daughter of Joseph Carroll and Sarah (Pickens) Wilson. For the genealogy of this Wilson family, see THE WILSON FAMILY OF MONTGOMERY COUNTY, ILLINOIS, INDIANA, AND KENTUCKY, published by Lynda Pavlik in 1979.

Luther and Betty Walcher were the parents of 10 children:

i. Kinney V. (1877-) mar ——Brockman
ii. Nora Mabel (1879-1952) mar Athan Cannon
iii. Ray
iv. Homer
v. Ida
vi. Mary, mar ——McGinty
vii. Elmer
viii. Albert Owen, mar Dulcina Grantham
ix. Zenith
x. Ruth, mar Ike Martin

Luther proved a claim in Oklahoma. However, they were living in Irving Twp. in 1880 (Source: Montgomery County federal census, 1880, #38-39) Their farm in Irving was near that of Betty's uncle, Robert Joshua Wilson; the two families often rode in a wagon to visit each other 'of a Sunday.'

4.12 (Continued) Michael Luther WALCHER:

WALCHER, issue of Michael Luther and Elizabeth A. (Weeden) Walcher:

5.1 Kinney V., born in 1877. She married Mr. Brockman. Kinney was the eldest girl in the family and died in childbirth of her first child.

5.2 Nora Mabel WALCHER, born in February 1879 in Irving, died on 9 Aug 1952 in Corcoran, California. Burial was at the Hanford cemetery (near Corcoran?). Mabel attended the Oak Grove country school north of Irving as a child.

She married Athan Cannon; he was born in January 1878 in Illinois, a son of William S. Cannon (born in 1856 in Arkansas). (Sources: 1882 HISTORY OF BOND AND MONTGOMERY COUNTIES, page 283; 1900 Montgomery County (IL) federal census; Mabel Cannon's obituary notice.)

Barb,

Yes - Irving Twp Cemeteries includes St Johns but not Irving city cemetery. $15 non-members and $10 members including postage from MCGS, P O Box 212, Litchfield, IL 62056 Unless they changed this year, dues are $15 for individuals - free queries and 4 quarterlies with membership.

Also, I'm not sure when I'll get to the library. This week is just full to the brim again - something going on every evening. The Hillsboro Library, 214 School St, Hillsboro, IL 62049 used to have an index to the Montgomery Co News. I wonder if they would check that for you and possibly copy the obit if there is one. It might be faster. The phone no is 217-532-3055.

Lynn

Tips on Using the *Pre-1916 Illinois Statewide Death Index*

- To avoid text wrapping to multiple lines, it may be necessary to select a smaller text size in your browser depending on your monitor's screen resolution. In most browsers, text size can be changed under the View menu.
- To print the list of deaths from the results screen, set your printer's page orientation to landscape.
- Death records were recorded in the county where the death occurred and not necessarily in the county where the parents resided. If your search does not find a death record in the county where you expected it to occur, try selecting STATEWIDE in the location option box.
- The *Pre-1916 Illinois Statewide Death Index* is an on-going project and does not currently include death records for all counties in Illinois or complete date spans for some counties.

Barbara is listed as Hefley and Cline, believe Cline to be her first marriage. Died at 61 years of age, per Page Norman Walcher. She is buried at either Bost Hill cemetery, St. John's Cemetery or Irving Cemetery, Illinois. Barbara and her first husband, Michael Hefley (son of Adam Hefley), journeyed from North Carolina to Illinois by wagon in 1831 with Barbara's parents and siblings. In 1852, Barbara gave birth to a son who lived only 8 days. Three months later, in October, her 7 year old daughter, Geneza Catherine, died. Ten days later after her daughter's death, Michael Hefley, her husband, died. Barbara buried three members of her family in a four-month period. Upon Michael's death, Barbara was left a widow with nine children, their ages ranging from 2 years to 21 years of age. Three months after Michael's death, Barbara married her second husband, Michael Simeon Walcher. Michael was 18 years younger than Barbara, he was 23 and she was 42. After Barbara's death in 1872, Michael Simeon Walcher married his sister-in law Delilah Eliza Lipe Hefley, the widow of Tillman Hefley, brother of Michael Hefley, Barbara's first husband.
